RESOLUTION TO IMPOSE TAX FOR COUNTY HIGHWAY & BRIDGE RESERVE LEVY

Per SDCL: 10-12-13, The board of county commissioners may levy an annual tax as a reserve fund to be accumulated and used for the purpose of maintaining, repairing, constructing, and reconstructing roads and bridges as follows:

- (1) A levy not to exceed one dollar and twenty cents per thousand dollars of taxable valuation, if the total taxable valuation of the county is one billion dollars or less:
- (2) A levy not to exceed ninety cents per thousand dollars of taxable valuation, if the total taxable valuation of the county is more than one billion dollars but less than two billion dollars; and
- (3) A levy not to exceed sixty cents per thousand dollars of taxable valuation, if the total taxable valuation of the county is two billion dollars or more.

Moneys in the fund may be expended in the laying out, marking, maintaining, constructing, and reconstructing roads and maintaining, constructing, and reconstructing bridges, under the jurisdiction of the board of county commissioners.

In all municipalities, 25% of the money raised by the levy will be paid to all municipalities pursuant to SDCL 10-12-13 to be expended by the governing body of said municipality for bridge and street purposes.

THE GOVERNING BOARD OF Yankton County states that the above said board is unable to properly maintain, repair, construct, and reconstruct roads and bridges in YANKTON COUNTY. Law now permits the governing board of said entity to establish a tax amount which may be levied, and such amount can increase each year with the amount of inflation and new construction. Therefore, the board does now establish a base property tax in the amount of \$ starting with calendar year 2026 taxes payable in the calendar year 2027. This action has been taken by the board and approved by at least a two-thirds vote of the board.

This decision may be referred to a vote of the people upon a petition signed by at least five percent of the registered voters in the district and filed with the governing body within twenty days of the first publication of this decision.

Unless this action is referred to a vote of the people and reversed by such vote, this resolution authorizes the county auditor to spread a levy to raise tax dollars in the above stated amount, allowing for percentage increases from inflation and new construction in subsequent years.
