SOUTH SUNDANCE ROAD DISTRICT
Yankton County Commissioner Meeting

Hi, I'm Bob Currie 31070 Starview Dr. Yankton, SD - Lot 4 of Sundance Ridge. I have been asked by the owners of Lots 1-6 to be the spokesman and point of contact during the formation of the South Sundance Road District.

We request that you approve the South Sundance Road District and have Mr. Huber remove lots 1-6 from the Sundance Ridge Road District prior to approval.

Mr. Huber has maintained Sundance Ridge for the past 14 years and no longer wants to maintain the road. We completely understand. He stopped maintaining the south most 3 tenths of a mile of Sundance Ridge (the only part of the road Lots 1-6 use) after the last big snow storm this winter. The lot owners, of Lots 1-6, have a verbal agreement and are currently maintaining that 3 tenths of a mile section of Sundance Ridge while we were in discussions with Mr. Huber about forming 1 or 2 Road Districts. We have graded the road and will again as needed. We are mowing the sides and have estimates from 3 gravel providers, when needed and have contracted with Neu Pond Landscaping for snow removal this winter (2023/2024).

On April 20,2023, Elaine Schmitz suggested 2 separate road districts be formed. Mr. Huber replied on April 21 "I am open to having two separate road districts if that is what the majority of lot owners want". The problem with that is, we in lots 1-6 will never have a majority or any control over how we are assessed or how the money is spent.

I stopped by the County Auditor's Office to pick up the current Road District Guidelines and found out that Mr. Huber had already filed the Petition for Sundance Ridge Road District without notifying the owners of Lots 1-6.

We tried to work with Mr. Huber, in fact we thought we still were.

Several of us were waiting for access to his Road District Attorney since May 15th. Mr. Huber refused to allow us access or provide the name so we could make our own arrangements.

I called the lot owners for Lots 1-6 and was able to talk with five of them. Some of us met with our own attorney and found out the only way we could separate our lots and protect our rights was to form our own Road District.

We filed the petition for the South Sundance Road District later that day.

After filing the South Sundance Road District Petition, I was able to talk with all 6 lot owners and we are united in not wanting to participate in Mr. Huber's Sundance Ridge Road District.

Our 6 lots use approx. 0.3 tenths of a mile (we are currently maintaining) of the 1.8 miles of Sundance Ridge.

These are two separate and distinct developments with separate and distinct Covenants and Road Maintenance Agreements that run with the land. Lots 1-7 were developed and sold by Todd & Lisa Huber between November 27, 2006 and March 21, 2007. Lots 8-18 were developed and sold by Sundance Development, LLC between April 16, 2008 and October 21, 2020. The owner of Lot 7 wanted to be part of Sundance Ridge Road District due to his friendship with the Hubers. The 6 owners of Lots 1-6 don't feel we have the right to force Lot 7 to be part of our Road District. Nor do we think Lots 8-18 have the right to force us to be part of their Road District.

When Lots 1-6 were originally platted and the Covenants & Road Maintenance Agreements were filed with the Register of Deeds in December 2006 and January 2007, the portion of Sundance Ridge Road that services Lots 9-18 did not exist. Mr. Huber wants to force Lots 1-6 to pay to further develop and maintain a road we will never use. We are surprised that the lot owners of the north 1.5 miles of Sundance Ridge Road are willing to pay to finish the development of the road. That is their choice, but we do not want to participate.

If it does in fact need culverts, widening, drain tile, grading and gravel, this could cost 10s of thousands of dollars.

There are approx. 200 additional acres included in the proposed Sundance Ridge Road District owned by Sundance Development, LLC that will most likely be developed in the future. Mr. Huber states he has no intention of developing. He also said this about his intention of not developing any further lots after the initial 1-8.

If you look at the attached map we believe it is easy to see why we request that you approve the South Sundance Road District and have Mr. Huber remove lots 1-6 from the Sundance Ridge Road District prior to approval.

Thank you for your time.

RESOLUTION 23-4

WHEREAS THE JAMES RIVER is a significant natural resource for the Dakotas, and especially for all of East River, South Dakota, and

WHEREAS THE JAMES is important to our regional economy because of its importance to farmers, hunters, anglers and other outdoor enthusiasts, and

WHEREAS GREATER PUBLIC ACCESS TO this scenic and unusual waterway would bolster tourism, outdoor recreation and quality of life for local residents and visitors, and

WHEREAS IMPROVED ACCESS points would provide greater safety for people who are seeking to enjoy and explore the river, and

WHEREAS SUCH ACCESS areas would also deter people from attempting to access the river on privately-owned farm and residential properties, and

WHEREAS MANY OF THE BRIDGES that span this important river are now scheduled for replacement in the near future, and

THEREFORE WE, THE COUNTY COMMISSIONERS OF YANKTON COUNTY, encourage local, state and federal agencies to work together and consider the development of more public access points, which may include spaces for a pull-off, parking, fishing spots and/or boat ramps when appropriate, as plans are developed for new construction along the James River.
