<p>For First Circuit, Position C, You may vote for <u>one</u> or leave it blank.</p> <p><input type="radio"/> Bruce V. Anderson</p>	<p>Medicaid is a program, funded by the State and the federal government, to provide medical coverage for low-income people who are in certain designated categories. This constitutional amendment expands Medicaid eligibility in South Dakota. It requires the State to provide Medicaid benefits to any person over age 18 and under 65 whose income is at or below 133% of the federal poverty level, plus 5% of the federal poverty level for the applicable family size, as provided in federal law. For people who qualify under this amendment, the State may not impose burdens or restrictions that are greater than those imposed on any other person eligible for Medicaid benefits under South Dakota law.</p>	<p>Marijuana plants, and the marijuana produced from those plants, may be possessed under specific conditions.
