708 COURT APPEARANCE

An employee who is required to make a court appearance in an official capacity in connection with the County or as an expert witness shall be deemed to be on duty and no charge will be made against leave.

If an employee is involved in a personal case, either as a plaintiff or as a defendant, the employee may be granted leave but the time off will be charged to annual leave, compensatory time, or leave of absence without pay.

Any payments received by an employee for appearing as a legally required or expert witness, in their official county capacity, shall be turned over to the County.

709 LEAVE OF ABSENCE

The County recognizes that there are circumstances when, for various reasons, employees may find it necessary to be absent themselves for an indefinite period of time. Leaves of absence constitute an additional expense to the County and will be carefully controlled. Each request will be considered on its own merits. If the leave is granted, preferential treatment will be given and every effort will be made to re-employ such people when their leave is up, provided the type and kind of work for which they are suited is available, and under the following conditions and/or rules:

1. Request for leave of absence is to be made in advance as far as possible;
2. Employees shall notify their supervisor and fill out the appropriate form, obtaining written approval of those officers listed under authorization;
3. Employees must notify the County Commission and department head at least one week in advance of their agreed-upon return to work date. If the employee fails to report to work on the agreed-upon-date, they will be terminated and coded as a voluntary quit. If, while on leave, the employee decides to terminate, they shall notify the County Commission;
4. If a leave of absence is applied for under false pretenses, the employee will be subject to automatic discharge;
5. If a leave of absence is for a time period of sixty (60) days or less, the returning employee does not suffer a break in continuous service. However, the employee must complete the specified period of time required for earning benefits (i.e., vacations) and will be eligible for holiday pay upon return; and
6. If a leave of absence is for more than sixty (60) days, the returning employee will be treated as a new employee and will serve the one hundred eighty (180) days introductory period. Exceptions to this rule are job related and non-job-related disability leaves.

710 JOB RELATED AND NON-JOB-RELATED DISABILITY LEAVE

Disability leave may be granted to any regular full-time employee. A disability leave of absence requires a continued physician's statement of disability (each two [2] weeks). A maximum of twelve (12) months applies. During this period the employee wishing to continue insurance coverage will continue to pay their portion of all insurance premiums. Section 709 #6 applies if disability leave is in excess of twelve (12) months. Employees must present a signed physician's "release to return to work" form in order to return to work.
