

FOR IMMEDIATE RELEASE

The Yankton County Office of Emergency Management wants to inform you that if you have experienced flood damage to your property or business, you can click the link below to submit your damage assessment: <https://crisistrack.juware.com/selfreport/sdoem.jsp?cid=yanktonSD&schemald=null&iid=6675aeb28ae3c12728e70741&appId=yanktonSD>.

You will need to provide some basic information including your Social Security Number, any private insurance information you have, address, zip code, your phone number and directions to your effect home or business.

The information provided will be used to collect damage information that may be used to seek a Presidential Disaster Declaration for Individual Assistance or a Small Business Administration Rural Agency Disaster Declaration. Please note, completing this form does not guarantee assistance will become available.
