

CHILD CARE & PRESCHOOL DIRECTORY

LAKE AND MINER COUNTY
2020

TO REPORT CHILD ABUSE

1-877-244-0864

Madison Police 256-7531

This is a completely voluntary listing. The decision regarding a care provider for your children is very important. Parents are encouraged to interview and visit the setting before selecting care for their child.

DIRECTORY PROVIDED BY:

LAKE COUNTY COMMUNITY HEALTH OFFICE

MINER COUNTY COMMUNITY HEALTH OFFICE

Child care can provide the necessary ingredients for the healthy growth and development of a young child if careful investigation is done. Parents are encouraged to interview and visit the setting before selecting care for their child.

For More Information - visit:

In South Dakota, it is not required for family daycare to be registered. As a parent looking for child care, it is important that you are aware of what you believe constitutes quality. It is something each parent must decide for themselves. Registration simply means that providers are meeting basic health and safety standards as defined by the state. All registered providers have a file with Department of Social Services. Some of the information is available to the public.
