Choosing A Child Care Provider

CHOOSING CHILDCARE IS AN IMPORTANT DECISION AND YOU NEED TO FEEL CONFIDENT THAT YOUR CHILD IS IN A SAFE AND CARING ENVIRONMENT.

Family day care providers in South Dakota are not required to be licensed or registered. These home providers are allowed to have up to 12 children in their care.

Daycare Centers and Before/After School Care Programs are mandated by law to be licensed.

The State of South Dakota has set standards for licensed and registered providers that help ensure children's safety. These standards include: training, a background check, meeting health and safety standards, and an annual inspection of the home to ensure compliance with health and safety standards.

Need help making a decision?
These resources can help.

Review checklists to help choose quality care and learn about help available to pay for childcare by visiting these sites:

COMMUNITY ACTION PARTNERSHIP

ICAP is a community based non-profit organization which serves primarily low-income families and senior citizens in a 14-county area of East Central South Dakota.

EARLY HEAD START

Early Head Start programs promote children's development through services that support learning, health, and family well-being. Pregnant women and families with children ages 0-3 are eligible. EHS programs are both center-based and home-based.

HEAD START

The purpose of the Head Start program is to serve young children from low-income families and prepare them to succeed in school. Services are provided in centers and in cooperative programs with several school districts.
