

Lake County Pre-disaster Mitigation Plan Meeting

As Lake County continues the process of updating the Lake County Pre-disaster Mitigation Plan, the Pre-disaster Mitigation Planning Team will meet at 10:30 a.m. on December 28th, 2022 at the Lake County Courthouse in the Commissioner's Room at 200 East Center St, Madison, SD 57042 and virtually over Zoom.

This plan identifies potential natural disasters, their impact, and possible projects to mitigate the impact of said disasters. The County is required by the Federal Emergency Management Agency to update this plan every five years.

The Plan draft and instructions on how to join the meeting may be found at <https://association.1stdistrict.org/lakecopdm/> or by contacting Payton Carda at the First District at (605) 882-5115. The public is welcome to attend. Questions or comments may be directed to Kody Keefer at (605) 256-7611, Lake County Emergency Management Director.
