RESOLUTION #2025-08

ATTENTION TAXPAYERS: NOTICE OF PROPERTY TAX INCREASE – LEVY OF SIXTY CENTS PER THOUSAND DOLLARS OF TAXABLE VALUATION

RESOLUTION TO IMPOSE TAX FOR COUNTY HIGHWAY AND BRIDGE RESERVE LEVY

WHEREAS, per SDCL 10-12-13, the Board of County Commissioners may levy an annual tax, said levy not to exceed ninety cents per thousand dollars of taxable valuation, as a reserve fund to be

accumulated and used for the purpose of maintaining, repairing, constructing, and reconstructing roads and bridges. Money in the fund may be expended in the laying out, marking, maintaining, constructing, and reconstructing roads and maintaining, constructing, and reconstructing bridges, under the jurisdiction of the board of county commissioners.

NOW THEREFORE BE IT RESOLVED, THE GOVERNING BOARD of Lake County, South Dakota, states that the above said board is unable to properly maintain, repair, construct, and reconstruct roads and bridges in LAKE COUNTY. Law now permits the governing board of said entity to establish a tax amount which may be levied and such amount can increase each year with the amount of inflation and new construction. Therefore, the board does now establish a levy of sixty cents per thousand dollars of taxable valuation starting with calendar year 2025 taxes payable in the calendar year 2026. This action has been taken by the board and approved by at least a two-thirds vote of the board.

BE IT FURTHER RESOLVED that this decision may be referred to a vote of the qualified voters of the county upon a petition signed by at least five percent of the registered voters in the county and filed with the governing body within twenty days of the completed publication of this resolution.

BE IT FURTHER RESOLVED that unless this action is referred to a vote of the people and reversed by such vote, this resolution authorizes the county auditor to spread a levy to raise tax dollars in the above stated amount, allowing for percentage increases from inflation and new construction in subsequent years.

RESOLUTION 2025-17/CITY OF MADISON-RESTRICTED USE FACILITY:

Carrie Schiernbeck read the following statement: As you may recall, on September 5, 2023, the City of Madison came before the Board of Adjustment to request a conditional use permit to operate a Restricted Use site in the SW1/4 of section 31, Concord Township. The request for the conditional use permit was approved and is still active during the meeting by the Board of Adjustment as approved and read Resolution #2023-15/City of Madison Restricted Use Site. The City of Madison has been seeking a state permit to operate and open the restricted use site. Under SDCL 34A-6-103, any applications for a new permit or first authorization must have county approval within no more than 24 months before the issuance of the new permit or first authorization by the Board of Minerals and Environment, due to litigation the City has not been able to secure the necessary permit from the state. Therefore, a new resolution from the County is necessary as the two-year time frame is upon us. I was contacted by Jameson Berreth, Madison City Administrator, on October 21, 2025, with a request for a new resolution from the County for your consideration and approval today. Motion by Wollmann, second by Johnke, to postpone consideration of Resolution 2025-17 to receive more information regarding the concerns of those that spoke during community comments earlier in the meeting. Motion carried.

Commissioners Reinicke and Slaughter returned to the meeting.

JUVENILE DIVERSION FISCAL INCENTIVE PROGRAM:
