

The Preserve Scholarship for Multilingual Learners

Why: to honor the hard work and perseverance of graduating multilingual learners at Madison High School

Who: graduating seniors who are currently receiving or who have received English Language services while attending Madison High School

What: scholarship at a college, tech school, or trade school

Applicant Instructions: Fill out the MCSEF application that includes a 250-word personal statement about why being multilingual is important to you. Tell what you have enjoyed about high school, what you plan to study after high school (and why), and how you will use your higher education AND your multilingual skills to build a better world.
