Mr. Thompson says:

The students of Central High School are to be congratulated on such a fine account of the happenings and events of the past school year. The beautiful theme of music is most appropriate to keynote a publication of such lasting value as our high school annual. As we think of music here at Central, our thoughts are drawn to our own March King, Bill Ireland, to whom this annual is affectionately dedicated. May the musical harmonies captured between these covers increase in beauty as we complete the Symphony of Life.

Mr. Memmer says:

This 1952 Interlakes marks the end of another year of achievement and success at our high school. In the not too distant future you will pause during work and retrace in pleasant memory your high school days. This yearbook will enable you again to live through those thrilling days at MHS. A bouquet to the advisor and members of the staff for another annual, rich in the best traditions and ideals of Central High.

Darwin says:

"Within these covers lie the most treasured memories of this year."

Dawn says:

"It's all finished--here it is--bigger and better. We hope you like it."

Don says:

"We've worked hard to try to give you something new and different. It's all we've got. Come and get it!!"

We, the seniors of MHS, are leaving high school with a greater appreciation of music because of you. You have taught us the value of long hours of hard and diligent work. Through your patience, praise, correction, and sense of humor, you have combined work and pleasure.

Because of all you have done for us, we proudly dedicate this, our 1952 music-centered annual, to just plain "Bill."
You were my queen in calico,
I was your bashful barefoot beau.

SPECIAL EVENTS
"HERE’S TO BEV AND JIM!"

The highlight of the Homecoming festivities of M.H.S. took place on the evening of Sept. 27. Bob Betz, as master of ceremonies, kept everyone in suspense as he calmly broke the seal and announced "Beverly Driveness and Jim Felker, Royalty Couple of 1951 Homecoming."

Royalty Couple danced first dance.

Royalty Couple led the Homecoming Parade.
With "Destination Victory" as their Homecoming theme, MHS students packed two memorable days with excitement, work and pleasure. A banquet at St. John's Lutheran Church on Sept. 27 with Darwin Martinson as Toastmaster and Mr. F.A. Strand and Mrs. J. V. Regan as speakers, started the chain of events. In rapid succession came the Coronation at the MHS auditorium, the snake dance and the traditional bonfire and pep fest.

Bright and early Friday morning students were seen hastily finishing last minute details in preparation for the afternoon parade. The many floats along with favorable weather made the parade "one of the best."

"DESTINATION VICTORY!" shouted the Bulldogs as they ran on the field Friday evening; but though they fought every step of the way, they could not better the Watertown Arrows and the game ended in a 7-7 deadlock. After the game a dance was held in the Armory, our King and Queen dancing the first dance of the evening. (The football team looked on from the sidelines singing "We're Tired and We Wanna go Home."

A three act drama "On the Night of January 16" was presented by the senior class on November 14th and 15th. The entire action of the play took place in a courtroom. A beautiful and luring secretary, Karen Andre, accused of the murder of her employer, Bjorn Faulkner, was played by Connie Kundert. Gene Aldrich as the relentless Defense Attorney Stevens presented the case for Karen Andre. Bill Tosch as Prosecuting Attorney Flint upheld the case for Mrs. Faulkner, played by Shirley Gruber. Mrs. Faulkner and her father, Blaine Sauder, added tension to the play and made the verdict of the jury less certain.

Witnesses, testifying for and against the accused were Jim Felker, Sylvia Rettedal, Bob Walker, Inez Tuttle, Kay Pamperin, Peg Pardy, Dick Sayre, Donald Allgaier, and Donald Feistner.

Jim Lucas portraying the part of a stern judge, Jim Knudson playing the role of a bored clerk, and Maxine McLain acting the part of the prison matron in charge of Karen Andre completed the cast.

The play had an unusual conclusion when a jury was chosen from the audience to determine the fate of Karen Andre. The decision read by the clerk of courts was "Not Guilty." The play, written by Ava Rand, was under the direction of Mr. James Slack.
The music and speech departments of M.H.S. this year collaborated in the presentation of a Christmas program composed of a play, "The Little Brother of the Blessed" and a cantata, "The Childe Jesus."

Bob Porter portrayed the leading character in the play; included in the supporting cast were Donald Allgailer, Dick Elmore, Roy Terwilliger, Sylvia Rettedal, Shirley Wiegman, and Jim Lucas.

Members of the glee clubs and mixed chorus provided the choral background.

WE WORKED FOR THESE--

The winners crowned—left to right: Ray Kauder, Dan Kaske, Bill Tosch, Jim Quist, King Maurice Poppen, Queen Greta Ericson, Sybil Rensvold, Marlys Mulvihill, Elaine Merager, Jolynn Newcomb.

Confetti flew, royalty reigned, milk bottles tumbled, and balloons popped on Friday night, February 1st, when NHS students, parents, and friends thronged the armory for the annual carnival.

The variety show in the high school auditorium featured a comic operetta, "The Dizzy Baton" presented by an all girl cast, a humorous skit, "The Housecat Vanquishes the Wolf", and popular music duets.

Among the other attractions were boxing, dancing, and the individual stands.

As a fitting climax to a most successful event, King Maurice Poppen and Queen Greta Ericsson were crowned by Sybil Rensvold and Jim Quist (substituting for Ron Moeller, 1951 king).

OTHER CANDIDATES

Seniors: Bill and Marlys
Juniors: Dan and Elaine
Freshmen: Ray and Jolynn
The carnival draws a crowd.

2. John Bakke and Ray Kauder mix it up!

3. Patty Newcomb and Don Felstner - happy though confused.

4. Bill Tosch and Sylvia Rettedal in a tense (?) scene.

5. Dana Grimstvedt and the chorus sing about her doggie.

6. Sybil Rensvold as the talented but nutty maestro is taken away by Le Ann Clausen.
The annual "get your man" frolic held March 21st, was based on a western theme this year and renamed the "Spinster's Roundup." Again sponsored by the Maroon, "Ladies' Night" had as its feature attraction, a shoe dance. The success of the event was judged by this comment of many of the male participants "Do my FEET hurt!!"
The third annual Career Day was held March 21st, under the sponsorship of the Lake County public high schools, the Madison Junior Chamber of Commerce, and the local Rotary and Kiwanis Clubs.

Career Day, along with its main purpose of giving the students a chance to discuss and acquaint themselves with future job and career possibilities, also serves as a yearly "get together" for the juniors and seniors of M.H.S. and those from the schools in the surrounding area.
Presented By The Junior Class

"The Whole Town's Talking," this year's Junior Class Play, was presented by a double cast. This three-act farce, written by Anita Loos, revolved around the central character, Chit Benny, who, with the help of his boss, Mr. Simmons, has created a mysterious love affair with Letty Lythe, a beautiful Hollywood actress.

A NIGHT TO REMEMBER

1. Merle croons. We eat!

"I'll always remember that night!", "A wonderful time!", and "Loads of fun!" were some of the most frequently quoted phrases on Sunday, May 11th, the day after this year's Junior-Senior Banquet and Prom.

A star-studded banquet at St. John's Lutheran Church was followed by after dinner speakers--Bob Betz as master of ceremonies, Donna Ring representing the junior class, Bill Tosch in behalf of the seniors, and Mr. Vernon Lewis, faculty member.

Then the guest seniors, host juniors, faculty and school board members enjoyed the rollicking rhythms and sweet strains of Jerry Brook's New Club Band at the Madison Golf Clubhouse. It was a night to remember.

6. Dream-m-my--(sigh)

7. Stars in her eyes.

2. "Along the Milky Way" says Big Dipper Bill Tosch.

3. "Hitch Your Wagon to a Star!" exclaims Lord Saturn Mr. Lewis.

4. "Star Light, Star Bright" quotes Little Dipper Donna Ring.

9. "Lucky me--I served!" quotes Bob.
1. Hiya!
2. My--isn't that interesting.
3. No weary travelers here--just three happy (?) smiles.
4. We pose for a picture.
5. Listening to the guide at the State Hospital, Yankton.

HIT THE ROAD

The seniors literally "took off" on a Skip Day, Tuesday, April 29. Starting early in the morning, they stopped at Pleasant Acres, Salem, for breakfast. The next stop was a tour of the State Hospital at Yankton. After eating lunch at the University Campus in Vermillion, they continued, finally arriving in Sioux City. They viewed the flood damage, took in shows, or just killed time roaming. Since they returned home just a few hours before classes started, everyone was very quiet (except for snoring!) all day Wednesday.

6. Isn't this fun?!
7. Boy, are we glad to get off that bus!!
8. Oh! We're so hot and tired--
9. The day after--(no explanation needed!)
The graduates intently listen to the address.

Capped and gowned, the 1952 graduating class was ushered into the baccalaureate service by Donna Ring and LeRoy Groeneveld, representative juniors, as sophomore pianist Shirley Wiegman played a processional. After the invocation and selections by the MHS girls' glee club and mixed chorus, Reverend Ralph Christopherson of the Lake Madison Lutheran Church delivered the address based upon the scripture, St. Matthew, 5:41, "And whosoever shall compel thee to go a mile, go with him twain."

After Reverend Christopherson had pronounced the benediction, the seniors filed out as Shirley played the "Recessional March".

Seniors file into the auditorium.
May 23, 1952, date of MHS commencement, found 57 seniors listening to Mr. J. Wendell Walton, Finance Director from Dakota Wesleyan University speak on the subject, "Thinking a Mile and a Half Ahead". Mr. Boyer's own arrangement of "Loyalty" sung by the girls' glee club brought back memories of the past four years and the presentation of awards gave recognition for outstanding work. Then, presented by Superintendent Thompson, the class of '52 received the long-awaited diplomas from E. W. Pirwitz, president of the school board. "Happy or sorry that you've graduated?" our folks asked us, and of that we couldn't be sure.

Come on, graduates, let's get lined up and get those diplomas.

School days, School days,
Dear old golden rule days.
"The Student Council," according to Principal A. G. Memmer, its advisor, "has done about the same things this year as previously, but with a little more success, we hope!

The group, made up of class presidents and home room presidents, represents the student body and, along with the faculty, governs the school.

This year the Council has planned and set up committees for Homecoming, Carnival, Career Day, and Student Government Day. They also elected and sent five delegates to the Student Council Convention, this year held in Watertown.

ACTIVITIES
The large groups, chorus, girls' and boys' glee clubs, under the direction of Mr. Boyer, and the speech department, under the direction of Mr. Slack, presented a Christmas program, combining the cantata "Childe Jesus," and a play, "Little Brother, the Blessed."

The entire music department made a fine showing at the Region II Music Contest. The girls' and boys' glee clubs, the boys' octet, and the girls' trio all made a superior rating.

The Madison music groups also sang in the annual Spring Music Festival, held at Flandreau this year, on May 2.

Eight students, P. Newcomb, G. Whitson, J. Martinson, K. Pamperin, D. Stanford, J. Lucas, D. Pecks, J. Lucas, and J. Sullivan, were selected to sing at the SDEA District Convention held at Sioux Falls in October, where a mass chorus representing most of the high schools in the northeast section of the state, presented a concert for the teachers attending the convention.

Mention should be made of the small groups which sang in various school and community programs throughout the year.
WE SING HIGH--

---AND LOW.

Girls' Trio: K. Lang, K. Pamperin, P. Newcomb.

Band in "M" formation.

A pleasure-packed overnight trip to the American Legion Convention in Watertown began the round-the-calendar activities of Madison Central's championship band.

Constantly "on the go", the band marched its way to many first places and cash prizes. The band, small groups, and soloists also walked off with many superiors at the Region I Music Contest.

Perhaps the highlight of the year was the train trip to Pipestone, Minnesota, which the band members enjoyed as guests of the St. Paul and Milwaukee Railroad. In return the band stopped at each town on the way to parade and perform in the railroad's behalf.

Besides appearances at the Shrine Circus, Hobo Day, and the sectional basketball tournament, the band took part in nearly every parade or civic function in Madison as well as throughout the state.

Then too, each basketball and football game and each pep meet found the band "on the job"; for—hot or cold, exciting or dull—the band was always there.

This year's declam organization of twenty-five members has been a very active part of the M.H.S. curriculum. All members entered the regional contest held on the Beadle campus. Those awarded superior ratings were Kathleen Lang in dramatic reading, Lavona Long in humorous reading, Donna Ring in oratory, and Martha Schrantz in poetry. These contestants then participated in the divisional contest, receiving the following ratings: Kathleen — excellent; Lavona — good; Donna — good; Martha — good. All in all, M.H.S. declam fared very well under the direction of Mr. Jim Slack and Mr. Vernon Lewis.
"RESOLVED THAT--"

Of the twenty-four students who signed for debate this year, only twelve remained as the season progressed; but this dozen performed one of the finest jobs of debating ever accomplished by MHS students.

Debating both sides of the question, "Resolved: That all American citizens should be subject to conscription for essential service in time of war.", teams placed third in the "Big Eight" Tournament at Yankton, entered the NFL Tournament at Mitchell and the novice tournament at Watertown, and took part in practice meets at Vermillion and Sioux Falls. Besides these events the squad, along with the students and faculty of MHS, hosted the Tri-State meet in which they again placed third.

Climaxing the season, the debaters were runners-up in the State Debate Tournament at Pierre, having previously qualified in the district and divisional meets.

State "A" Runners-up. Carol Schultz, Doris McLain, Donna Ring, Lynne Keough, Mr. Lewis.
NFL is composed of members who have earned a total of twenty NFL points through debate and declam.

WNAX FORUM

"Should Inter-Scholastic Competition be Eliminated in High School" was the question for the fifth annual WNAX Forum held at MHS. Speakers were Kathleen Lang, who elaborated on some of the weak points in the present system; Jim Felker, who defended inter-scholastic competition; and Blaine Sauder, who outlined a possible intramural program.

Left to right, Mr. Smith, J. Felker, K. Lang, B. Sauder.
One of the most popular yet unencouraged groups in school, the cheerleaders gave their all and then some, even when the team wasn't having a winning streak. So, for all the pep meets they planned, for all the Friday nights they were hoarse, and for all the times they pleadingly shouted, "Come on kids! Let's yell!", we cheer the cheerleaders!

DEFENSIVE

Athletics are not placed in school activities to bring home top honors. They are to teach sportsmanship and leadership. When players learn this, one cannot say the season was unsuccessful. The Bulldogs had a record of one win, one tie, and six losses.

The Madison Bulldogs, playing twenty-one games, captured top honors six times. The Bulldogs, coached by Bill Hauge, were defeated by the Flandreau Fliers at the sectional tournament held at Brookings. This year the Madison team held the same position as last year in conference play. The Dogs, with only one conference win, were at the bottom of the ESD standings.

This year's track season showed the Madison Bulldogs entering all major track meets and bringing home many laurels. Since the majority of the team will be returning next year, we look forward to another year of achievement in track meets.
They Earned It

The M Club, sponsored by Coaches Hauge and Kellar, includes all boys who have earned a letter in either football, basketball, or track. A pheasant feed for all members and a social hour sponsored by the club constituted their main activities.

Modern Pyramid Builders

Making a needy family happy at Christmas by sending a basket of toys, food, and clothing was the main project carried out by the FHA girls this year. Other activities included the impressive ceremony of installing officers, the popular "puff-pant" prom, and regular monthly meetings.

WE LOOK AND LEARN

Having been very active this year under the direction of Mr. Anderson, the members were taught the fundamentals of motion picture projection. They have had movies for entertainment and learning. Much practical experience has been obtained through running the movie projector for various classes.
Through the help of a professional photographer, the Camera Club has this year been taught the techniques of snapping and developing better pictures.

**HOW DRAMATIC CAN YOU GET?**

The Thespians Club is an honorary society open to boys and girls who have earned enough points through their dramatic ability. Like every organization, the Thespians also had a social hour to raise money for the club.
Again this year Boys' Staters were sponsored by the American Legion and sent to Aberdeen. Here they put governmental procedures into practice for a long remembered week.

"Experience is the best teacher" says Girls' Stater Kathleen Lang who was sponsored by the American Legion Auxiliary. At Mitchell she learned the way in which local and state governments operate.
