To the students of MHS, Mrs. Ericsson is a special person. She is more than a faculty member, she is a true example of loyalty. She has realized the importance of school spirit and has done all she could to further it.

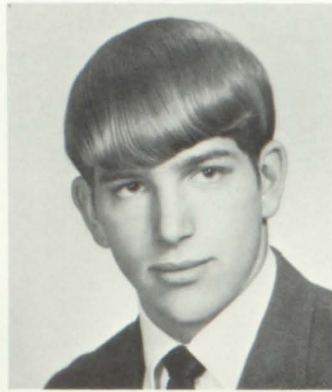

Besides her usual duties involved with keeping the library running efficiently, she has given up her leisure time to form and advise the Pep Club. This organization, composed of underclassmen girls, participates at athletic activities, performing half-time pom-pom routines and cheering the Bulldogs.

If it were not for the concerned efforts of Mrs. Ericsson, we would have no pep buses traveling to out of town football and basketball games. It was she who made it possible for students to make these trips to athletic functions. Stop in the library on the day of an athletic meet and you will surely find Mrs. Ericsson giving the boys and girls alike a pep talk. We thank you, Mrs. Ericsson, for all you have done for us and to you we dedicate this Interlakes.

Principal Assumes School's Leadership

Returning to serve again as Principal this year is Mr. Glen Wilbur. Mr. Wilbur, a busy and familiar person around school, is constantly working hard to make our school run smoother. He has done much to advance the educational program at MHS. For example, the combined efforts of the Student Council and Mr. Wilbur resulted in senior privileges consisting of open study hall for certain class periods and special classroom study liberties.

Although being a principal is a full-time job, Mr. Wilbur always finds time to talk with students about their everyday happenings. Without a doubt our school days would not be as educational, interesting or enjoyable if it were not for the efforts of our principal, Mr. Wilbur.

Office Staff's Duties Are Many And Varied

A dramatic, high-contrast photograph in a monochromatic purple-pink hue. The image features a dark silhouette of a castle or fortress with a prominent square tower on the left. The sky is filled with large, billowing clouds that catch the light, creating a stark contrast with the dark structures. In the foreground, the silhouettes of a crowd of people are visible, their heads forming a dark line across the bottom of the frame. The word "FALL" is printed in a white, serif, all-caps font, centered horizontally in the lower half of the image.

FALL

We Prepare For Victory

1969 Homecoming Chairmen-Laurie Lauck, Lee Towler, and JoLynn Norton.

The Sr. girls sextet sang of Loyalty at the coronation ceremonies.

The Frosh boys did a fine job firing up the team and student body for the game.

The Homecoming festivities were kicked off by the coronation of the King and Queen from senior class candidates. Following the coronation, the cheerleaders led the student body in a spirited snake dance to the bonfire. After the pep fest students followed the caravan of royalty and attendants to Egan Avenue where the King and Queen assured everyone that victory was ours. On Friday each class presented pep skits with the senior class claiming first place for the most spirited play.

The Homecoming game was played against Pierre. The Bulldogs showed their toughness offensively and defensively by skunking the Governors 16-0. Following the game students returned home to prepare for that evening's event and the finale of Homecoming-the dance. The Homecoming dance was held in the city armory. Although exhausted from a busy week, students enjoyed this event which ended the 1969 Homecoming in a crowning, a victory, and happiness.

Silhouetted against the roaring bonfire are Homecoming Royalty Nancy Meyer and Gary Johnson.

The senior gridders are all smiles, confident of the Homecoming victory.

Bulldogs Veto Governors

The Homecoming game for 1969 found the Bulldogs winning over the Pierre Governors 16-0. Although the game was a "mistake" riddled one, the Madison defensive team turned in an outstanding game as was to be the case all season long. Ron Johnson, Gary Johnson, Greg Richter, Jeff Page, and Ted Poncelet led a fired-up charge that held Pierre to a mere 29 yards rushing. The alert Madison secondary intercepted four Pierre passes to stop Pierre cold in the passing department. After two touchdowns and two completed conversions, Madison defense took over and shut Pierre out for the rest of the game. The win made Homecoming a success and also started the conference play on the right foot for the Bulldogs.

Varsity Gridders Prove Bulldog Power

Back row L-R: Mark Kracke, Craig Wollman, Craig Basler, Greg Richter, Craig Wilbur, Larry Brandes, Don Larson, Pat Prostrollo, Tom Deming, Coach Hamlin. Third row: John Meehan, Alan Johnson, Jeff Schemmel, Terry Stanford, Mike Simpson, Dean Spartz, Dave Kappenman, John Ihler, Bill Meehan, Coach Koster. Second row: Coach Walczyk, Ted Poncelet, Rick Alfson, Clint Liddiard, Don Johnson, Gary Johnson, Mike Downs, Tom Dockendorf, Greg Albertson, Jim Fjerstad, Gayle Blanchette. Front row: Dallas Johnson, Mark David, Jeff Lechner, Dick Casey, Gary Blase, Rog Jensen, Tom Neville, Dan Crippen, Ron Johnson. Student Managers: Brian Erstad, Merrell Peterson, Tom Zerfas.

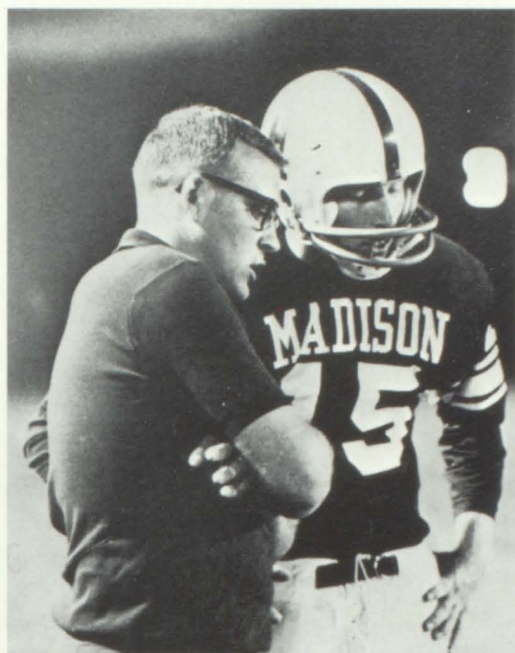

The class of '70 was most instrumental in the success of the past grid season. Don Johnson, returning from a terrific season, and Gary Johnson, voted Most Valuable Player, proved to be worthy captains and provided the fire-power in the Bulldog attack. The hard-hitting team thrived on desire and pride in themselves.

The Bulldogs ran up easy victories in the first two non-conference games. Madison's Homecoming and first conference game proved to be successful as Madison shut-out Pierre 16-0 behind a strong defense, which contributed to all the victories the whole season. The Bulldogs were disappointed at Mitchell the next week, 12-0, but came back with an electrifying victory over Watertown, 35-20, and stomped Brookings 25-0. The toughest game for the Bulldogs was in the presence of the Huron Tigers, who came out on top in the conference. The Bulldogs fought gallantly, but when the final gun sounded they ended up on the short end, 33-20. The Aberdeen game was thought by many to be the Bulldog's best. Bulldog defense stopped the Eagles twice on the goal line and we finished with a 13-0 victory. Disappointment fell on the Bulldogs in the final game, as the Yankton Bucks beat Madison on a rain-soaked field.

Overall the Bulldogs had a very successful season with great team spirit and determination. The Seniors can be proud of their accomplishments over the years in this field of athletics and will certainly be missed.

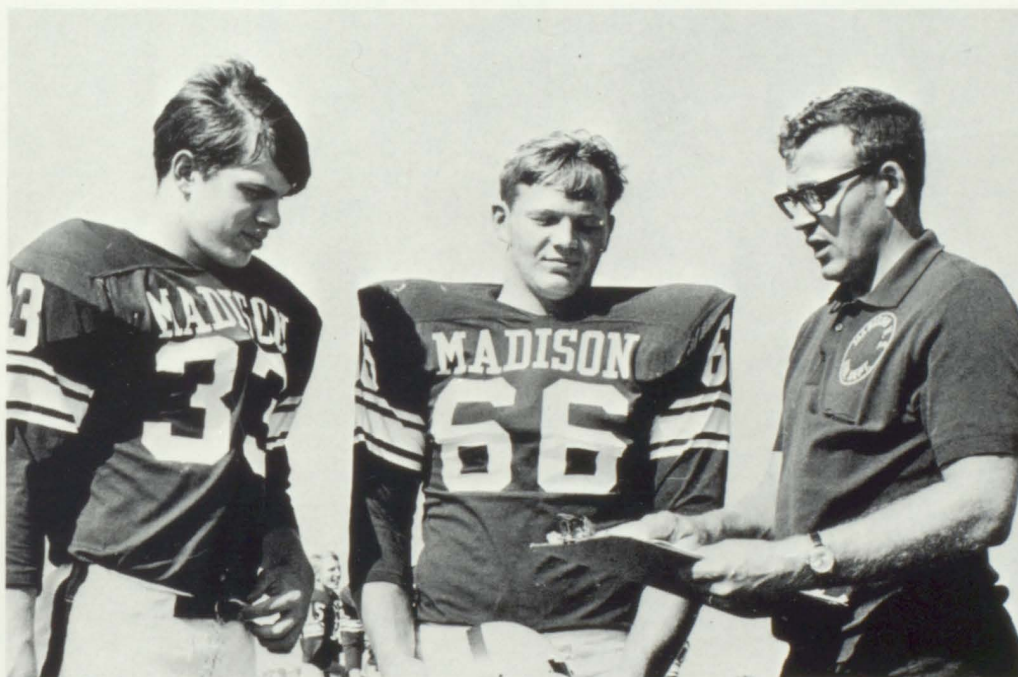

Punt. . . Ted Poncelet shows how it's done.

Varsity Cheerleaders Sock It To 'Um!

Hey now! Have you ever seen a greater bunch of girls? The Bulldogs are cheered onward by six of the best cheerleaders around. They put that S-P-I-R-I-T into that tuff team.

It's hard work! While the boys are working at those plays, our humble six are at their jobs. If it isn't planning the upcoming pep meeting it's something else. They set up the front lobby as headquarters. The booth is filled with signs and half empty bottles of paint. Practice sessions are long and hard work, but still fun and laughs. Every week they plan what "gift" will be appropriate to give team members. Their ideas are all original and range from candied hearts to oranges saying "skin 'em." New ideas are expressed to remind that team that "we've got spirit." Old sayings are also used in new ways: "For example: Win!"

It isn't the easiest job! They're responsible for the student body's behavior at games. When we blow up the cheerleaders are held responsible.

For each out of town game, invitations are sent to the visiting team's cheerleaders. A dinner is held at one of the six girls' house. Common girl talk is exchanged. The outcome of the game is very seldom brought up because each group knows they're going to win so a discussion is useless.

Led by Nancy, captain of the squad, Paula, Deb, Gay, Laurie, and Jan have their fun times, too. Slumber parties last summer which included everything but sleep were held. Mix-ups on which outfits to wear which days with one poor loner returning home has been experienced. Making one of their new signs, which after completion, it is realized that they have misspelled "Bulldogs" has occurred. With pompons in hand they have proceeded to do a routine but have come to the conclusion that moving that fast is ridiculous. Forgetting that certain cheer and feeling like the whole world saw it has been felt by all of them.

Dedication is the word to describe them. Each of them feels a dedication to themselves, their uniform, their school, and their team. They are dedicated to the proposition that the Bulldogs deserve the best and they'll try to supply just that.

Cheerleading is something that a little girl dreams of and always hopes to receive. Our school should be proud of these girls who have received this dream. Any little girl can look at our cheerleaders and say, "That's what I wanna be like someday."

They've done a good job and have received little credit. While an "ah-beep-beep" and "power time" ring through our halls, we know we've got the best. Behind every team there is a little body called the humble six.

It takes power to bring a Bulldog down!

Fumble. . . .Madison Recovers.

If you decline the penalty...

'72 Growls

Madison's Sophomores started their season with a convincing 53-8 win over Watertown. The Sophs also won their second game and continued winning all of the other games that season. The undefeated Sophomores showed great potential as future ESD champs. The most rewarding victory was an 8-0 decision over Huron, who was previously undefeated. With coaches Ron Erickson and Frank Gunther guiding them, the Bullpups proved that teamwork is the key to victory.

The Freshman football team, under the direction of Coach Jim Cordts and Ron Ihler, opened the season with an 8-6 loss to Watertown. From then on the Freshmen sailed through the season with 4 victories and a tie. After the loss, the mighty Freshmen knocked off Dell Rapids, Brookings, Howard, Huron, and finished the grid season with a draw to Mitchell.

The success of the season was definitely a team effort with strength coming from the bench as well as from the field. Eddie Keever and Mike Sullivan provided a potent running attack, while Steve Robson, Bill Holler, Bob Muth, and Dennis Hanneman opened large holes. Many others contributed to this fine grid season and the Bulldogs of the future look ferocious.

With hardly any carry-over of last year's power source, the Cross Country team started building back up again this year. The boys gained a great deal of experience and know-how from their coach, Mr. Miller, and from competing with different schools. Composed mostly of sophomores, there is little doubt that we will have a strong cross country squad next year. Larry Loswold was the outstanding runner of the season, placing in the upper third of the meets.

Crowning Highlights Follies Festivities

FOLLIES ROYAL COURT: From L. to R.-Tim Turner, Craig Basler, Gary Johnson, last year's king Tom Dockendorf, reigning King Gary Simpson and Queen Sharon Struble, last year's queen Nancy Meyer, Linda Joy Palmquist, GayLynn Treloar, and Karen Stanford.

The 1969-70 Follies began Thursday, November 15 with one-act plays presented by each class. This year the Elks traveling trophy went to the Freshmen for their riotous presentation of 'Readin' Ritin' And 'Rithmetic.'

Each class chooses candidates for king and queen. It is up to the members of the classes to sell tickets and present point-winning plays so their candidates may reign over the Follies. It was a very close contest this year, but the Sophomores pulled through breaking the long-standing tradition of Junior ruled Follies.

Gary Simpson and Sharon Struble were crowned king and queen by last year's royalty Tom Dockendorf and Nancy Meyer. The festivities concluded with an 'M' Club sponsored dance in the high school gym.

Our Team's Dynamite

The Madison High School basketball team for the 1969-1970 school year was under new leadership. Mr. Vernal Anderson, our new coach, and five returning lettermen were anticipating a better than average record. Although the Bulldogs lost in overtime to O'Gorman in the first game of the season, they fought back the next night and defeated Vermillion. In conference play the Bulldogs had a eight win, six loss record and compiled a season record of twelve wins and ten losses. Mr. Anderson, the players and fans were disappointed in the sectional tournament when they were upset by Miller. The fans rallied behind their team to defeat Brookings 61 to 60 the next night for third place. Craig Wilbur and Roger Jensen were selected co-captains and Roger Jensen, Most Valuable Player. The team proved to be respected by everyone they played. Although they were known for their ball control game, they also could be an explosive team. Many times the Bulldogs had their backs to the wall but they came back fighting and several times managed to pull out a victory. Much of this success was due to our colorful coach who provided much of the fire and inspiration necessary for a winning season.

In order for Madison to continue having winning teams, they must have leadership. Ten Seniors provided much of the leadership this year for the success of our ball club. But the basketball players also had good encouragement from the spirit exhibited by the fans. Everyone in M.H.S. must contribute more leadership and develop more pride in themselves and their school. With the good Freshmen and Sophomore teams filling the empty shoes left by the Seniors, Madison should be winning more games.

Hoopsters Win Honors!

Roger Jensen, honored with the title of MOST VALUABLE BASKETBALL PLAYER, proves his worth by controlling the ball.

With the loss of 9 lettermen there was hardly any carry-over of last year's power source but the wrestling team started building back up again. The grapplers put up a good show for the spectators as there were many exciting matches throughout the season. In ESD competition the Bulldogs showed their strength and ability. Gayle Blanchette, Chuck McGillvary and Gary Johnson placed first in District competition and were named Dist. Champs in their weight classes. In Regional competition, Chuck and Gayle took their wt. titles and Gary Johnson placed fourth. Qualifying for the State Wrestling Tournament, these three power houses did their best to represent MHS. Gayle Blanchette, named Most Valuable Wrestler at MHS, placed second in the State for 107 weight class. Composed mostly of underclassmen, Coach Hamlin has high hopes for a strong team next year.

MOST VALUABLE WRESTLER, Gayle Blanchette, was a definite asset to the Bulldog grapplers.

THE POTENTIAL OF THE SPOKEN WORD IS IMMEASURABLE. Each year interested high school students involve themselves in the articulation of a self-determined question. The word symbolic of this group is DEBATORS. The word symbolic of this verbal discourse is DEBATE.

The debate question for the 69-70 forensic season was: Resolved: That Congress should prohibit unilateral United States military intervention in foreign countries.

Students participating in extra-curricular speech do not restrict themselves only to the activity of debate. Each forensic tournament hosts individual events such as oratory, oral interpretation, discussion, and men's and women's extemporaneous speaking. The Madison High School debate squad has accumulated more speech honors for the school in this 69-70 season than the cumulative total of debate honors earned by the school in its existence.

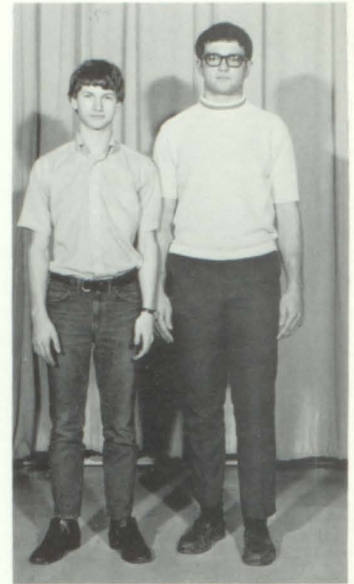

Class of 1970 Selects

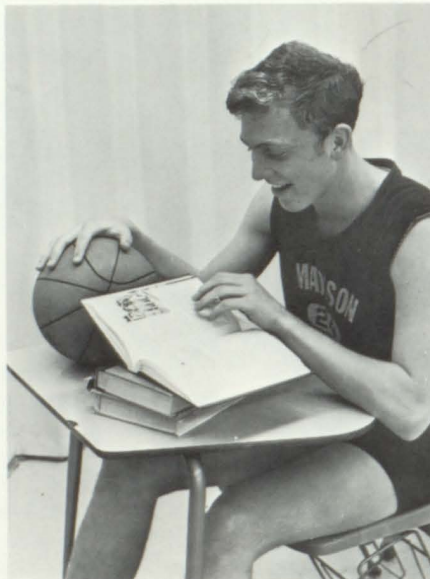

Mr. & Miss Senior, Nancy Meyer and Tom Dockendorf, have contributed much to the Class of '70. Tom has been in football, basketball and track for four years. He was president of 'M' Club and NHS, and a Boys' State delegate. Nancy was a member of GAA and Pep Club, captain of the cheer-leading squad, Annual editor and All-School Favorite. Last year Nancy and Tom were the Follies Royalty, Junior Class Favorites and Senior Escorts. This year they were Homecoming candidates. Combining their many talents and accomplishments, they are the ideal seniors.

Voted Most Intellectual Senior were both Al Tabor and Dan Crippen. Al and Dan have both been in NFL and NHS and have both contributed much to the success of the MHS Debate squad. The Debate squad went to the State Tournament this year. Al is a band member and Dan has been in football, basketball, track and 'M' Club. With such a varied list of activities, it is no wonder these two are the Most Intellectual Seniors.

Combining ability and good conduct Rog Jensen is a true model of sportsmanship. During his participation in football, basketball, golf, band and chorus, Rog has done his best to bring pride and power to MHS-which included setting a good example.

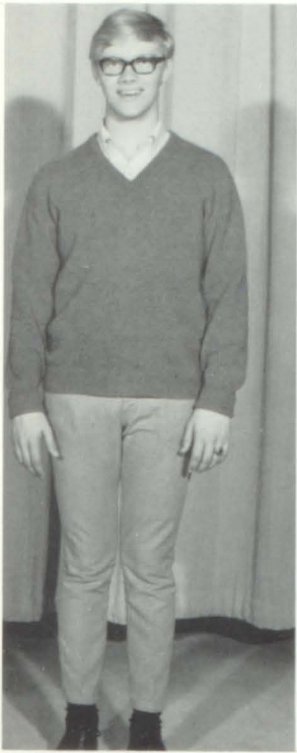

Janet Hunter received a two-fold award by being named the Most Musical and Most Likely to Travel Abroad. A member of 1970 All-State Chorus, band, Girls' Glee and Concert Choir, Janet has expressed herself well through music. During the summer following graduation she will be touring Europe with the International Music Camp.

1969-70 Student Body President Dan Crippen was the seniors' choice for Most Likely to Succeed. During his four years at MHS Dan has participated in a variety of activities-from athletics to plays to clubs. Last year he was a delegate to Boys' State. With such a wide background he will surely succeed in his future career.

Students Select 1970 Class Favorites

Nancy and Gary

When MHS students voted for their choice of All-School Favorites they undoubtedly did their best by selecting seniors Nancy Meyer and Gary Johnson. Their leadership shown in activities has set an example for all students. Last year Nancy was selected the feminine side of Junior Class Favorites and was chosen Follies Queen. She has been Annual Staff editor and a cheerleader for three years and has been active in GAA. Gary has done equally well as he was named Sr. Follies candidate and has participated in football, track, weightlifting and intramural basketball. This year he was named to the All-State Football squad and represented MHS at the State Wrestling Meet. He has also been a member of "M" Club and FFA. Nancy and Gary were the 1970 Homecoming Royalty, proving that they are surely All-School Favorites.

Mary Beth and Rocky

Mary Beth Hanson and Rocky Houser were selected by the juniors as their Class Favorites. These two are a great asset to their class as each contributed much to Junior Power. Rocky was Soph. Follies Candidate and is a member of "M" Club. He has participated in football, basketball, and track. Mary Beth was a Jr. class officer, FHA officer and a member of Student Council, band and NHS. As can be seen, it wasn't difficult for the juniors to select their Class Favorites.

Sharon and Gary

It did not surprise many when Sharon Struble and Gary Simpson were chosen as Soph. Favorites. Sharon and Gary are also this year's Follies Royalty. Gary, an "M" Club member, has participated in football, basketball, and track. Sharon was 1969 Track Queen and is a member of GAA, Pep Club, and All-School Play cast. These two will undoubtedly go far with such a great start.

Tim Turner and Karen Stanford are two outstanding freshman, without a doubt. As both Class Favorites and Follies Candidates, they have done their best to represent their class well. Tim has participated in football, track, band, and the All-School Play and Follies Play. Karen has been in band and GAA.

Student Council Upholds Democratic Ideal

Back Row, L. to R.: Shannon Sullivan, Bernie Heilman, Denny Holter, Don Johnson, Dan Crippen, Dick Casey, Jack Treloar, Terry Stanford, Laurie Hunter. Front Row: Mr. Reitzel, Keith Nelson, Greg Strewe, Tom Kessler, Bill Schultz, Gayle Blanchette, Mr. Campbell.

This year's Student Council, headed by Danny Crippen, met the needs and wants of most of the students. This eager group initiated, with drive and ability, many new campaigns-including open campus for seniors. With the addition of the new study hall, the council brought forth the student tutor system that aided nearly all students in meeting the problems of every-day school routine.

Due to the droppage of the University of Minnesota programs, the council set up their own schedule of assemblies.

The council looked into the possibility of having a foreign exchange student for the next school year.

The council dealt with the age-old problem of freshman cheerleaders by having permission to get cheerleaders. If all business was recorded, we must conclude that this year's council was on the offensive rather than the defensive.

Officers for the '69-'70 school year are:	President-Dan Crippen
	Vice-Pres.-Bernie Heilman

The melodious tones of the MHS Concert Choir were heard by many music lovers throughout the area. The choir participated in many musical activities from All-State Chorus to public concerts. The Annual Christmas Concert was held Dec. 18. The choir presented a variety of traditional carols from many lands and cultures. The program opened with a candlelight processional by the festively-clothed singers. The music, accompanied by a variety of wind, string and keyboard instruments, was unique and enjoyable. "Jesus, Joy of Man's Desiring" was accompanied by cello, flute and piano. Another religious number, "In Dulci Jubilo," was accompanied by the Brass Quartet. Other traditionals were accompanied by harp or Baroque Recorder Quartet. Feb. 19 the South Dakota High School Activity Association sponsored the Region II Music Contest. Various groups musical displayed their talents. Girls' Vocal Ensemble and Madrigal received Superior ratings and Miscellaneous Ensemble, Boys' Ensemble and Mixed Quartet received Excellent ratings. Soloists Janis DeBoer (alto) and Dick Casey (bass) received Excellent and Superior ratings respectively. March 5-6 the Concert Choir made a mini-tour of the elementary schools and junior high. The highlights of the concert program included "People," "Bouree" and "Aquarius" accompanied by string bass, drums and guitar. The program also included a novelty tune, "76 Trombones," with the 'one and only bass' (Rog Jensen) taking the applause. In March several choir members attended the Vocal Music Clinic at Brookings. New knowledge in fundamentals of singing were gained by those who attended. On April 18 the vocalists participated in the District II Music Contest. Their selections, "Brahm's 'A House Stands 'Neath the Willow's Shade,'" "Misericordias Domini"-Durante and Vaughan William's "Sweet Day" were awarded Superior ratings.

A highlight of the year was the trade concert with Yankton High. April 30 the YHS Choir presented a program at MHS and May 5 the MHS Concert Choir traveled to Yankton for a concert. During the year the choir and special ensembles and soloists presented a music recital and several programs for civic and religious meetings. The final public presentation was the Annual Spring Concert. Last year's queen Georgia Hegdahl and her escort Ken Larson and the three princesses and their escorts: Linda Joy Palmquist and Gary Johnson, Carolyn Robson and Ted Poncelet, Barb Roling and Don Haggeman, made up this year's Royal Court. MISCELLANEOUS CLARINET CHOIR

Throughout the year, the MHS Band functions as an active and exhilarating representative of our school. At home athletic events, enthusiasm is engendered by its spirited music and well presented half-time shows. Whether at a football game, a pep meeting, civic program, or a parade, the band always complements the occasion. Their brilliance at these functions is not merely a spontaneous effect, rather, it is the result of constant work to improve proficiency. Musical talent and diligent effort have provided Madison with a band of superior quality. The hard work and perseverance of band members has shown glory when they received "A" ratings on a number of occasions. Significant events which highlighted the year were: Winnipeg Red River Exhibition-1st in marching and 2nd in concert, Luverne Tri-State Festival-1st in marching, Huron Pow-Wow Days-1st in marching, and Superior rating at the District II Concert Contest. Debbie Weise, a senior, was selected to represent MHS at All-State Band. Although the band functions as a unit in most activities, the individual members participate in other musical events. The solo and ensemble contestants have proved to be superior musicians and have won honors at both local and district contests. These dedicated people have proved that music as a fine art gives purpose and value to life, but perhaps more important is the fact that it reveals man to himself.

1970 Boys and Girls State Delegates

Every summer, students from over the state of South Dakota come together in order to learn, through experience, the various functions of State government. Through enactment of the duties assigned them in their various offices, the participants prepare themselves, as future citizens for an active role in the leadership of their country. The Madison Chapter of the American Legion and Auxiliary, the faculty and cooperative individuals select six junior boys and three jr. girls as delegates to the conference. These delegates are selected on a basis of leadership and scholarship. These students have each shown evidence of leadership in community and school affairs during their high school years. This year Boys' State was held in Aberdeen and Girls' State was held in Mitchell.

1970 Boys' State Delegates: Tom Deming, Don Larson, Dean Spartz, Jerry Richardson, Tom Gaeckle, Craig Wollman. Alternates are Bill Owens, Brian Erstad, Mark Kracke, Mike Keppen, Gayle Blanchette and Bernie Heilman.

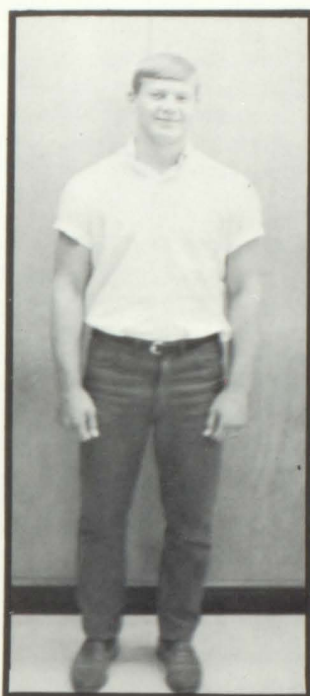

1970 Girls' State Delegates: DaNeil Pearson, Nancy Myren and LeAnn Larson. Alternates are Debi Faehn, Ann Roling and Joey Turner.

Tracksters Go Go Go

M.H.S. TRACK MEN: back row: Assistant Track Coach Ron Erickson, Mike Hofman, John Ihler, Jim Keppen, Paul Thompson, Gary Johnson, Tom Dockendorf, Don Larson, Dan Crippen, Craig Hanson, Jeff Page, Vernon Caulk, Don Johnson, Rocky Houser, Ted Poncelet, Manager Mark Chapman, Assistant Track Coach Tom Hamlin. Front row: Assistant Track Coach Jim Cordts, Jim Wilcox, Bruce Bresee, Terry Stanford, Tim Page, Corwin Osterloh, Gary Snow, Joe Tomscha, Jack Treloar, Greg Erstad, Jeff Schemmel, Bill Schultz, Tim Tabor, Mike Simpson, Steve Hewitt, Mike Sullivan, Head Track Coach Dan Barker.

Under the guidance of head coach Dan Barker, the 1970 track squad showed the "spirit-drive-ability" already displayed by this year's athletic teams. The varsity track team composed of eight seniors, seven juniors, and fifteen sophomores, was young in experience but strong in "spirit" and "ability." The daily workouts showed that the boys had the enthusiasm necessary for a great track squad. Coach Barker and Assistant Coaches Ron Erickson and Jim Cordts were the ones responsible for not only physical but also mental preparation of the tracksters. Track is similar to any sport; the athlete must have the right attitude to be any competitor at all.

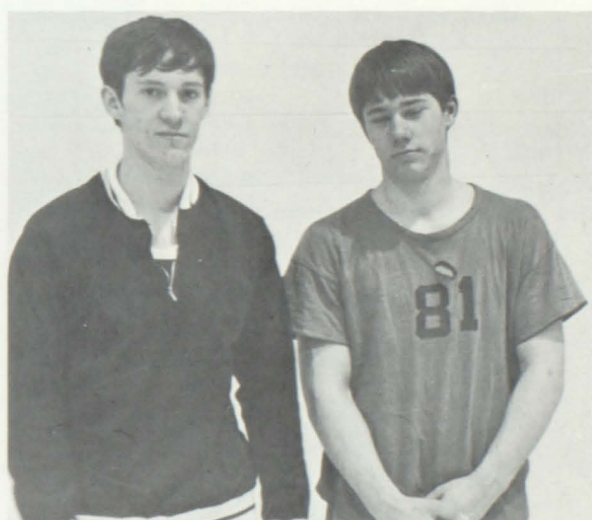

Competition was at its best this year with Madison riding high among the leaders. Although they didn't have the depth needed to be a dominant leader, the Bulldogs' presence was noticed at every meet the team participated in. During the season the track team captured championship titles at the Trojan Relays in Worthington, at the Madison Invitational Track Meet, at the Region III Meet, and finished third in the ESD Meet. At the highly talented Howard Wood Relays, the Madison tracksters showed their fortitude and competitiveness. Bulldog miler Jeff Schemmel, already a veteran competitor as a sophomore, won his specialty over a group of runners coming from a three state area. The mile relay team was victorious over the highly favored Sioux Falls and Sioux City schools, while the 440 relay, the 880 relay, and sprint medley placed second behind Sioux City Central and Watertown respectively. Weeks of hard work have been rewarded by this outstanding showing.

The success of this year's squad was due unfortunately to a few individuals. Success of the year could not have been accomplished without the whole team working together; however, the outstanding effort of a handful of boys made the team a success. Jeff Schemmel, who lived for the mile, workouts the whole year. This dedicated effort had its rewards though, since Jeff was defeated only once and has a 4:16.9 mile as his best time. Jeff was also a member of the two-mile relay and medley relay teams. Co-captain Vernon Caulk, voted most valuable trackster by his teammates, was one of the largest contributors to the team's success. Vern was undefeated this year in 440 yard dash competition and was busy setting records in this event. Vernon's newly-established records include a clocking of 49.1 for the state meet record, a 49.6 time in the ESD Meet, and 50.1 time at the Madison Invitational Meet. Also, Vernon's time of 49.1 is only one-tenth of a second from tying the all-time state record in the 440 yard dash. Vern ran on the 880 relay, two mile relay, sprint medley, and mile relay teams.

Tom Dockendorf, the other co-captain for the 1970 track season, contributed considerably to the team. Tom ran on the 880, 440, sprint medley, and mile relays and the 220 yard dash. Although not as outstanding as Vernon and Jeff in the individual events, Tom ran a respectable 23.1 clocking in the 220 at the Region Track Meet. Tom was a member crack mile relay team who, along with Caulk, Larson, and Page pulled a few upsets this year. Besides the victory at Howard Wood, the relay team was narrowly defeated by Sioux Falls Lincoln in the state meet. The Bulldogs ran 3:22.3, three-tenths of a second behind the Patriots.

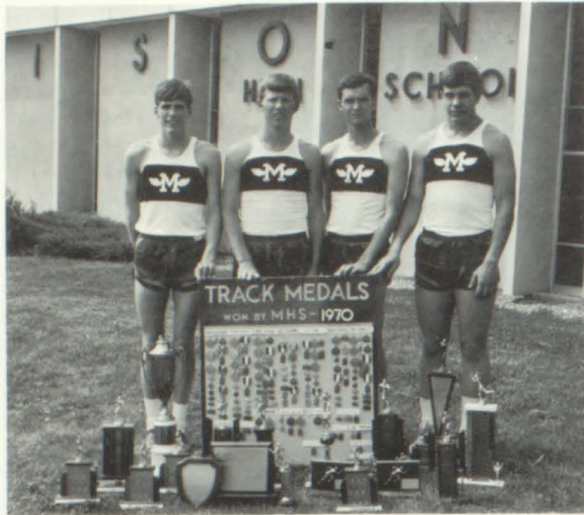

Other senior contributors to the team's success were Dan Crippen, Don Johnson, Ted Poncelet, Jeff Page, and Mike Hoffman. Dan was the senior leader in the discus, while Don and Ted ran sprints and relays. Jeff ran the middle distance races and relays and was accompanied by Mike Hoffman the 440 yard dash.

Next year returning tracksters will be led by co-captains Rocky Houser and Don Larson. Although the seniors will be missed, the sophomores and juniors have the ability to form a team that could reach goals never imagined. Jeff Schemmel, Rocky Houser, Don Larson, Terry Stanford, Mike Sullivan, Jack Treloar, and Steve Hewitt have exhibited potential and determination as competitors; watch these boys next year for they could produce the best track season Madison has had yet.

Madison's golfers finished the year richer in experience than when they began. Most of these swingers were underclassmen but they did their best this season and hope that next year this newly gained experience will pay off.

Greg Schultz and Clinton Liddiard, two Senior golfers, showed Bulldog power in the performance which enabled them to go to State. They were unable to make a commendable showing at State because they were defeated in the preliminaries.

The tennis team braved inclement weather early in the spring to get into top form for the heavy schedule of matches they were to play during the season. And, by the time April 16 rolled around, they were ready. They defeated SF Washington in the first match of the year 5-2. Next came the match with Mitchell and again the netmen emerged victorious, this time by a score 6-0. Then, on April 24 the team traveled to SF to play a tough Lincoln High team and suffered their first loss. The next match was with Brookings and again the netters were victorious. Then Lincoln came to town and handed the netmen their second loss. After that, the team defeated Brookings, Watertown, and O'Gorman to complete the season with a 7-2 record.

In the ESD meet, Kevin Karlson defeated opponents from Watertown and Pierre before being defeated in the Semi-finals. Kelly Sullivan got to the finals before being defeated by Marty Johnson of Brookings. In doubles play, Kelly and Tony Simons advanced to the finals before being defeated by Brookings. Three tennis players traveled to the State Meet at Rapid City. Kevin Karlson and Kelly Sullivan were defeated in singles play and Kelly and Tony lost to a tough Washington team in doubles.

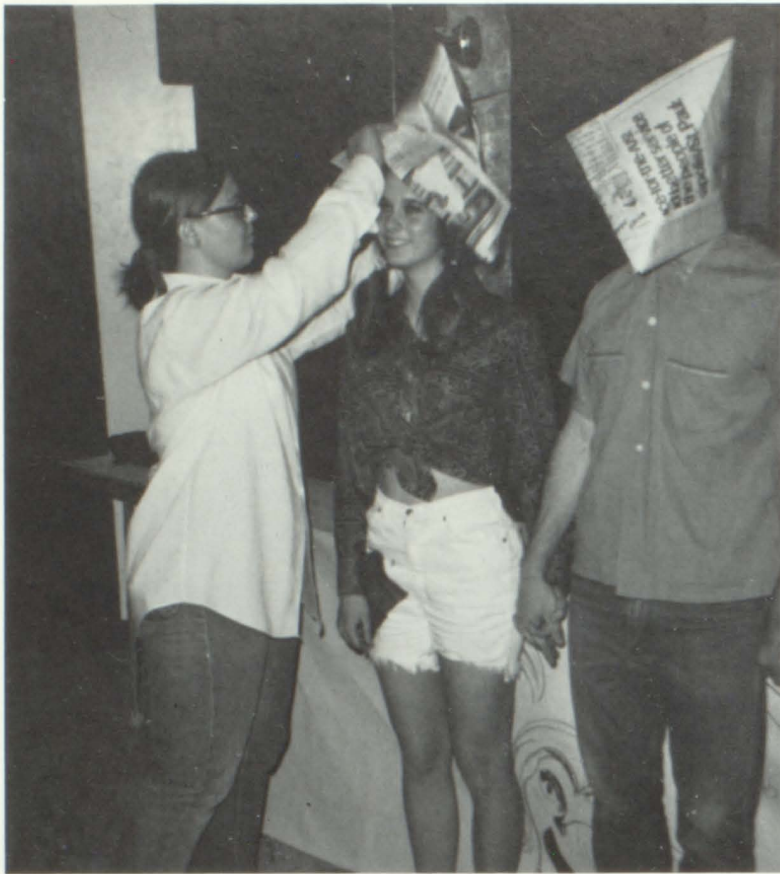

Looking to next year, the team is bound to be tough again as only one member of the team was a senior.

Now that lights have been installed, the tennis court can be enjoyed both in the day and at night. As a memorial to Mike Sullivan, one of Madison's past tennis enthusiasts, the lights have helped to supply extra hours of fun for netters.

Some of the best! Coach Johnson and Varsity netters: Kelly Sullivan, Kevin Karlson, Dennis Zingmark, Brian Erstad, Tony Simon, and Kerry Karlson stop for a breather.

The Remarkable Incident at Carson Corners, a three-act drama by Kristin Sergel was presented by MHS thespians on May 14 & 15. Twenty-six cast members produced this play which centered around the trial of a high school janitor for murder. In the play, the students try to prove Mr. Kovalesky guilty of killing their classmate, Bill McGinnis. To everyone's surprise the outcome showed that carelessness and apathy on the part of the adults had caused the death. This drama left a good moral that everyone should abide by. The production was under the direction of Mr. Donald Dockendorf.

The cast presented Mr. Dockendorf, the director, with a token of their appreciation which was evidently thoroughly enjoyed.

Mr. Rogers appeals to the jury to consider if Kovey had a part in the death of Bill McGinnis.

1970 Senior Prom

A refreshing glass of punch is sought by many and enjoyed by all.

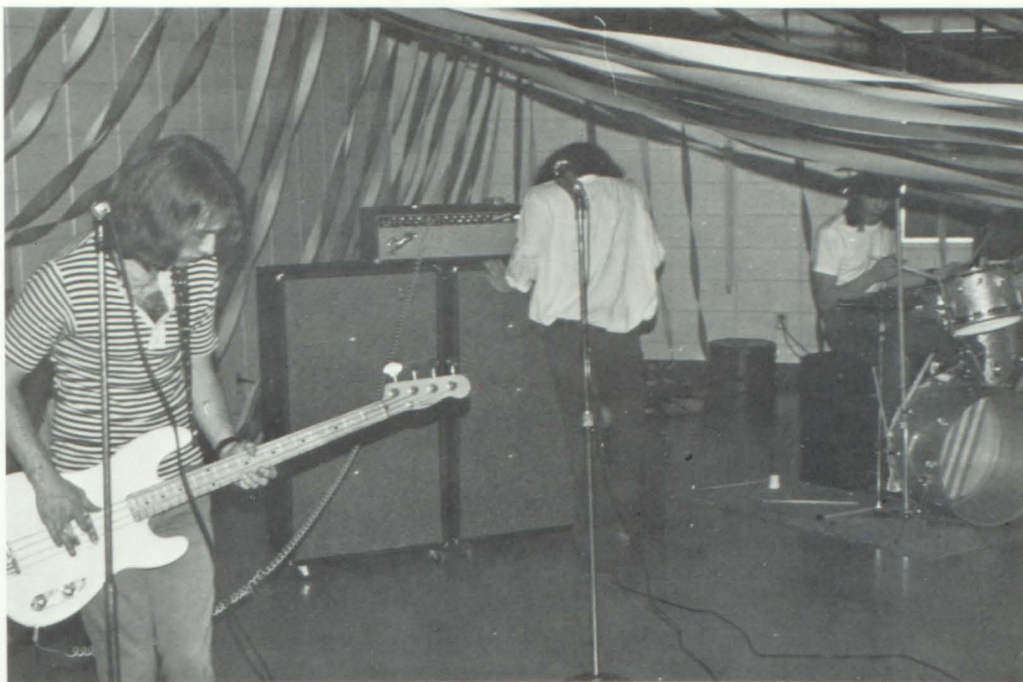

The 1970 Senior Prom and Banquet proved to be a delightful and most enjoyable occasion. The evening of May 16 began with a banquet at the Hotel Park for all Seniors. The Menu included tossed green salad, roast beef, baked potato, cake, and rolls and milk and it was simply delicious. Remarks were made by both Junior Class President Gayle Blanchette and Senior Class President Tom Kessler; both addresses were pertinent and well-received.

The evening did not end with the banquet but flowered into full bloom that night when the prom began at 8:30. The Junior Class really outdid themselves in providing a beautiful atmosphere and the great Rushmore Band. The theme "Love is Blue" was carried out in blue and white streamers and bursting flowers in shades of blue; the flowers were so pretty that they were picked by the couples as a remembrance of a wonderful evening. A gently gurgling fountain and tasty punch and finger sandwiches added the final touch to what was one of the most beautiful and memorable proms ever!

What a great evening!

Best Ever!

It's hard to compare the tones of The Rushmore with the Harvest Moon and Green Beret harmonies of the Senior Boys' Ensemble which, though not pictured, also entertained to everyone's delight.

"No fun being alone on prom night," say bachelors Lee Towlerton, Rick Braskamp, Jim Fjerstad, and Leo Blanchette.

The soft spray of a fountain enhanced the spell of "Love is Blue."

Roll Call

Dr. H. M. Briggs

Baccalaureate services were held May 24 in the Memorial gymnasium. Reverend Jothan Benke gave the invocation and Benediction and the Reverend James Christopherson delivered the sermon. The Concert Choir under the direction of Mr. Ted Hollan presented two spiritual selections appropriate to the occasion.

Commencement exercises saw 161 seniors receive their diplomas. A prologue concert and the processional were given by the MHS band. Preceding the main address, Fr. Mulkern gave the invocation and Principal Glen Wilbur presented awards to the ten top honor students of the class of 1970. Dr. H. M. Briggs of SDSU was speaker for the eighty-second annual commencement. In his address he encouraged the graduates to be individuals and exercise their talents to the fullest in preserving peace and harmony. This theme coincided with the class motto—"The Future is a World Limited by Ourselves."

A Big Moment In History

The tracing finger of history touched down briefly in Madison on June 3, 1969. The occasion was the dedication of the Karl E. Mundt Library on the campus of Dakota State College. It marked the first visit to Madison by an incumbent U.S. President in 70 years. Nixon's presence at the dedication stemmed from a long personal and political friendship between the President and Sen. Mundt, who calls Madison his home.

As the big day arrived, the weatherman got into the spirit as June 3 was as beautiful a summer day as South Dakota has to offer and a crowd of 8,500 people, including the First Family, Governor Farrar, and numerous college dignitaries, stood under bright sunshine to see their President. The Madison High School Band provided patriotic melodies to honor the President and the honoree.

The landing of the Presidential helicopter in the north lot of MHS marked the beginning of a short but memorable stay of the President and the gracious First Family.

Editors Learn From New Company

Editors in Chief Nancy Meyer and Gerry Draper and Yearbook Advisor Richard Bortnem meet final deadline successfully.

The 1969-1970 Interlakes was completed by the final deadline this year, much to the happiness of those who worked on the yearbook. Work on the annual got off to a rather slow start because the methods of a new yearbook company had to be learned, but with the help of the representative from Pischel Yearbooks, Inc. and our advisor Richard Bortnem we were able to complete the Interlakes in fine time.

We have endeavored to bring you as full a record as possible of this school years' happenings. 1969-1970 was a great year and it is hoped that the happiness and fun and the trials and tears will be successfully accounted between the bindings of this book. The remembrance of one year in a lifetime is precious, not only because the price of the annual has raised, but because it portrays a year with those you love and at the end of four years must often leave. When you are old and gray and wish you were young again, we hope that you'll be able to pull out the old 1970 annual and view all the friends and recall all the experiences that may have given you a few of those gray hairs.

Many people must be thanked for their help in the production of the Interlakes:

MR. BORTNEM, for his endless assistance and understanding.

MR. HIARING, for his time and many photographs.

MR. REETZ, for his great photography work.

MR. WILBUR and MRS. KOSTER, for their help in finding records and naming people.

DAN CRIPPEN, for his numerous photographs.

ROGER JENSEN, KEVIN KARLSON, and TOM DOCKENDORF, for their informative sports write-ups.

STUDENTS, for submitting photographs and helping to make this yearbook better.

We present this annual to you and sincerely hope that it is the kind of yearbook you want to store your memories in.
