The Way We Were

Memories . . .

light the corners of my mind,
misty water colored memories
of the way we were.

Scattered pictures . . .

of the smiles we left behind,
smiles we gave to one another
for the way we were.

Can it be . . .

that it was all so simple then,
or has time rewritten every line?

If we had the chance to do it all again,
tell me would we? Could we?

Memories . . .

may be beautiful, and yet,
what's too painful to remember
we simply choose to forget.

So it's the laughter we will remember,
whenever we remember
the way we were.

THE

Kelli Goeman was the first place winner of the 1978 Homecoming Talent Show. She sang a song entitled "There Must Be Some Reason" which she composed and accompanied on the piano herself. Jerry Turner took close second with two songs he sang while he played guitar. Paul Jensen, Greg Bortnem, Tony Foley and Mark Christensen received third place for their comical version of the popular American Express Card Commercial.

TALENT

The Talent Show was held Sept. 19 at 7:30. Kari Erickson and Kevin Weiland served as Mistress and Master of Ceremonies. Some of the other acts included the Drama club with two skits, "McCains and McAbles" and "The Psychiatrist's Office." Jean Fischer, Rhonda Koppinger, Stephanie Downs, Darlene Yager and Sherry Menches pantomimed to "Hooked on a Feeling." The Foreign Language Club performed another pantomime of "De Colores." Mark Waba, Doug Mader, Jeff Boldt and Rory Mentele demonstrated their intelligence with a Quiz Game Show.

The Bulldogettes ended their season with three wins and sixteen losses. Captain Mona Basler was named most valuable and Gwen Lebahn was named most improved. One of girls basketball's problems of being a young sport is poor student attendance. Coach Larson summed it up best when he said, "Even though we didn't win as many games as I thought we might be able to, the girls stuck with it and worked really hard. I'm very proud of all of them."

Boys attending the State Meet were: Tom Burg, Mark Christensen, and Mark Sullivan. Not pictured is Todd Parks.

(Back) Charlie Page, Lee Spencer, Mark Sullivan, Kyle Friedow, Dave Sautley, Tom Burg, Coach Erickson. (Front) Tharen Jorgenson, Trent Parks, Bob Felker, Mark Christensen. Not pictured is Todd Parks.

Coach Erickson felt this year's season was one of the best MHS has seen for a while and made this statement, "I'm hoping to see golf continued in Madison for it is about the only sport with carry-over value." Senior golfer Mark Sullivan was chosen most valuable player. Erickson went on to comment that Sullivan was a good leader and a consistent player. Coach Erickson also added that 8th grader Todd Parks was the first junior high student to letter in any sport at MHS. They ended their season with the wins in 4 duals, 2 quadrangulares, 4th at the Brookings Invitational, 1st at Regions, 8th at State and an ESD win taken away due to technicalities.

The cross country teams finished the season by competing in its three most important meets, ESD, Region, and State. In the ESD meet the boys finished 7th out of 8 teams. Neal Bjorklund finished 5th out of the 56 competitors in the race. The girls did not have a complete team for the ESD meet, but Kim Larson placed 4th individually. Coach Miller felt the team had a good season considering there was only one senior on the team. He thought everyone showed improvement as the season progressed. Miller stated, "The success of next year depends on the runners that return and the help we can get from new runners."

Sherri Maroon entered the third flight finals in single competition, but was defeated 6-2, 6-0. In doubles competition, Teresa Klopf and Jan Schaaf won the first round 10-7, but were defeated in the second round 10-0. At the State meet the team ac-

cumulated a total of 19.5 points. In fourth flight singles competition, Robin Zingmark won the Consolation title. Also the doubles team of Teresa Klopf and Jan Schaaf were ranked seventh in their flight. Coach Miller also said, "There are five girls on the team who will graduate, leaving a big gap to be filled and they will be missed. They have done an outstanding job as individuals and as a team."

"Their improvement in attitude was one of the main reasons for a successful Frosh BB season," commented Coach Koster. Although lacking in depth, this did not stop the squad from bringing many Frosh BB fans to their feet with exciting passing and shooting.

The JVs ended their season with a victory over a tough, once previously beaten Lincoln. This put their record at 6-5 for the season. The wins included O'Gorman twice, Pipestone, Watertown, and Brookings. Losses came into the hands of Washington twice, Watertown, Mitchell, and Lennox. Coach Gusso was very pleased with the team's performance throughout the season, and is looking forward

to next year's varsity team. With the season plagued by sickness and injuries the Soph record turned out to be a sour 5-13, but not disappointing according to Osterberg. Osterberg said that the team worked hard to make up for the lack of depth. Coach Osterberg commented that a few sophomores could be an important part of the next year's varsity BB team.

"No thanks to the weather, but thanks to a lot of hard work by all of the girls. It was their most successful year for MHS golf," commented Coach Farrell over the golf season. The year consisted of only three duals. The girls won two and lost one—to Watertown, the State Champs. A surprising win by Huron at ESD put Watertown in second and Madison trailing in third. At Regionals the team took second with all girls qualifying in the top ten for State. The five girls who went to State were Maureen Green, Alice Green, Sandy Appelwick, Karen Schultz and Kris Ullrich.

Working Hard For Memories

Mrs. Benson, Advisor, and Kris Ullrich, Editor.

(Front) Brenda Wilslef and Eva Bargmann. (Back) Kris Ullrich, Julie Olson and Lisa Reagan.

After it's all been said and written about, not much is left over but the memories. And the people responsible for recapturing these memories and locking them in forever are the 1979 Annual Staff.

The MHS Annual Staff has gone through a one year experiment of putting together the yearbook in class time for regular class credit, as compared to past years extracurricular work.

The students worked very hard this year and their efforts were not in vain, because instead of producing one book, they turned out two.

We'd like to thank Mr. and Mrs. Reetz, The Madison Daily Leader, Pam Jiricek, Doug Hoy, Brian Hexom, Laury Grantham, Amber Greenwalt, Steve Stalzer, and Stacy George, for their help in photography.

Period 5: Mrs. Benson, Annette Beyer, Amber Greenwalt, Debbie Kreul, Karl Kappenman, Cecelia Olson, Pam Jiricek. Not Pictured is Tony Foley.

And now here it is, news as it happens. Well, not exactly. MHS had two journalism classes under the direction of Mrs. Benson that were responsible for the Maroon, which came out monthly.

The students were responsible for reporting on and writing all the stories. The photography, darkroom work, and the page design was accomplished by the students breaking up into groups and doing their own page. They came up with all the story ideas on their own. This paper was a student publication in the true sense of the word.

We'd also like to say "Thanks" to Mr. and Mrs. Reetz, Doug Hoy and Pat Tomscha for their help in photography.

The girls of the 1978-79 Drill Team, better known as the Rangerettes, were well suited this year as they added many new accessories to their costumes. Some of these things were the addition of hats, silk vests, and garters. There were seven seniors on the team this year. They were: Deb Tunender, Ginny Freitag, Julie Simpson, Renea Christensen, Lisa Blase, Deb Deniger, and Elaine Hasche. The girls performed at one football game and three basketball games. They also participated at a competition meet at Brookings, February 11. Some of the tunes performed to throughout the year were: "Bandstand Boogie," "Peg," "High Kick," and "Boogie Nights."

The Student Council consists of sixteen student members. With the exception of the Freshmen, each class has four representatives: the past president, vice president, present president, and one delegate with Mr. Wilbur as their advisor. The freshmen class doesn't have the past president. The Student Body President presides over council meetings and acts as a guide and also gives direction. The members are to participate in all meetings and projects and act as speakers or leaders for the rest of the student body.

So far this year the council has met about six times with topics from homecoming to revolving schedules. The council meets whenever a need or a problem arises. Some things the council has accomplished this year are arranging homecoming, arranging for the Christmas film, and working out Wing Ding Week. The Student Council ended the year with arranging for student election for next year's council members.

FCA sponsored a basketball game with the high school teachers versus the senior varsity players. Pictured to the left is Mr. Jim Cordts and Gary Hetland, both waiting anxiously for the jump ball.

FCA is a group of 15 to 20 students, who get together every Monday night at 6:00 in the high school. "You don't have to be a great athlete or Christian to be in FCA," said Mary Ann Downs, president of Fellowship of Christian Athletes; "We want to invite everyone to come and join us." Craig Vanden Bosch is the vice president and Kelli Goeman is the secretary-treasurer. When Mary Ann was asked about what was done at the meetings, she said, "We talk about everyday things and problems and relate them back to Christianity." Sharing is an important part of FCA. An FCA retreat is planned for May 4-5, 1979.

Good time by all at Sweetheart Ball

What were you doing the night of February 3, 1979? Most people were at the Sweetheart Ball watching Debbie being crowned by last year's Sweetheart Queen, Linda Terwilliger.

FHA held the annual Sweetheart Ball trying to raise money for the FHA Scholarship Fund. Lone Jets helped FHA by providing the music in the High School Lunchroom.

"Love is a Rose" was the theme this year and red and white streamers and handmade red roses were used to add color to the dance floor.

According to Mrs. Keiner, the eighty-two couples that had attended the Sweetheart Ball was an improvement in people attending compared to past years.

Mary Ann Downs was Mistress of Ceremonies.

"Ghost Dance" by Stuart Vaughan was selected and cast as the spring play. The play is a dream play re-enactment of the last attempted uprising of the Sioux Nation and its termination with the death of Sitting Bull.

The play is Charles Eastman's vigil. Alone, he goes to an isolated hilltop after purification in the sweat lodge, to fast and seek a vision. His purpose is to find his identity as an Indian. Out of the past, evoked by Charles himself, come the actors who performed the play. Everyone in the play is thus a "GHOST" EXCEPT Charles himself. The only real place is the hilltop with its burial scaffolds.
