HOMECOMING

Feelings ran high at MHS during the 1980 Homecoming week of Sept. 29-Oct. 3. Monday brought an afternoon watermelon feed. A new event scheduled through the efforts of the student council. Tuesday's talent show featured first place winners Karla Kwasneiwski and Janet Randall in an outrageously funny portrayal of an elderly MHS couple that returns to see the high school homecoming festivities. Second place was captured by Kelli Goeman, who performed a vocal solo and an original piano composition assisted by Karen Maroon. Grabbing third place was a comical skit done by a group of senior girls who enacted the song "When I Meet My Man." Masters of Ceremonies were Darrell James and Jay Wickre. Producer was Mr. Jim Miller. Triumphant over Hall Day on Wednesday were the Juniors with their poster comparison of Madison's football forces to those of Mitchell's. The long awaited coronation was Thursday evening. Patty Sommars, mistress of ceremonies, introduced the candidates for king and queen who were selected by the senior class. King candidates for 1980 included Doug Barthel, Craig Dodds, Ken Weiland, Larry Terwilliger, and Marty Pearson. Queen candidates were Alice Green, Lori Siegfried, Jane Taylor, Lori Hodne, Joan Treloar, and Marcie Matson. Previously in the week, the entire student body voted for their favorite candidates. Winners were Ken Weiland and Lori Hodne, who were crowned by last year's royalty, Todd Lewis, and Jackie Jensen. Led by the royalty after the ceremony, the students marched to the roaring bonfire. Then, brave par-takers ran the snake dance to the armory where Bulldog cheers ended the evening. Friday's pep rally revealed Ted Amert as the winner of the student council sponsored Penny-Per-Player Contest. The annual tug-of-war, following the pep rally, had a new twist this year with a mud hole for the unlucky, front line losers. The juniors proved strongest by capturing both male and female divisions. The highlight of the week was to be the Homecoming football game against Mitchell, but to everyone's disappointment, Madison lost the hard fought game by the score of 6 to 13. Following the game the Homecoming dance featuring music by City Wheel of Sioux Falls proved to be a big success.

THE GAME

HOMECOMING FOOTBALL GAME

On October 3 the Madison Bulldogs met head on with the rival Mitchell Kernals for their Homecoming game of the season. In the first quarter, Mitchell scored first with a two yard touchdown and a good conversion attempt. Then late in the second quarter Mitchell increased the lead to 0-13. The extra-point kick was no good. Madison's halfback Craig Dodds hit the scoreboards in the third quarter to bring the score to 6-13. The Bulldogs pulled close to scoring again in the fourth but were too far away when time ran out. The battle was hard fought but was just a matter of too little too late. Quarterback Todd Koster completed passing for ninety yards compared to Mitchell's thirty-two yards.

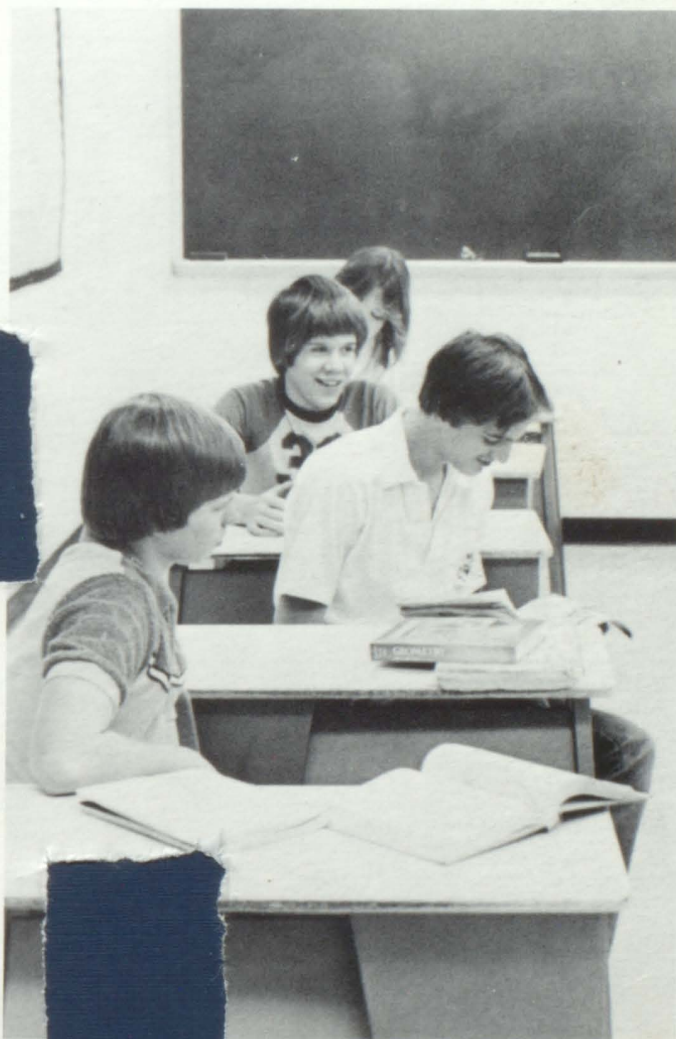

Quarterly scoring:

	1	2	3	4	F
Madison	0	0	6	0	6
Mitchell	7	6	0	0	13

The Madison High School Honor Band and Drill Team provided half-time entertainment. The Homecoming dance followed the game.

The Madison Bulldogs placed 4th in the State A Tournament in Sioux Falls. This is the highest that a Bulldog Team has placed in a State A Tournament since the Bulldogs earned the Runner-up spot in 1929. In 1954 Madison placed 7th, 1975—5th, and in 1944 and 1945 while competing in Class B ball Madison earned the runner-up and championship spots respectively. Madison's record of 12 wins and 11 losses were mostly decided by close scores. In Sectional play the Bulldogs had to weather two hard fought games in order to earn a birth in the State Tournament. In first round of A Tournament play the Bulldogs defeated Sturgis 57 to 53. In second round competition a well coached, hard fighting, and determined Bulldog Squad were unable to find the range against a hot shooting Yankton Squad. Madison took a determined group of ballplayers, cheerleaders, students, and spectators to the State A Tournament. Many spectators commended the Madison squad and student body on their spirit, determination and behavior at the tournament.

Future Business Leaders of America is a national vocational education organization for high school students enrolled in business and office education programs. The activities of FBLA provide students with educational, vocational, and leadership opportunities and experiences. It also provides an opportunity for members to learn the value of competition on local, regional, and national levels through competitive events that develop occupational skills as well as character and leadership abilities. Although any business student can become a member of FBLA, at Madison High School only those students enrolled in secretarial typing, shorthand, or office education block are given the opportunity to participate in the organization's activities beyond the local level.

The purpose of the Student Council is to give the student body a voice in school activities, events and policy. The process involved allows the students to exercise democratic self-government under practical conditions. This creates an atmosphere of interest in the welfare of the school and a pride in the school's objectives and achievements. At present, the Student Council is involved in various activities. Recognition of scholastic excellence by the Student Council is reflected in its sponsorship of the National Honor Society. The National Honor Society is also dedicated to serving the community as well as the school.

The Maroon is published six times during the school year. Publishing the high school newspaper is an important activity adapted to functional learning situations. Students working on the publications see composition and rhetoric as something meaningful as they compile and edit information for the school's official organ. This activity affords the opportunity for self expression while performing a real service to fellow students, the school and community.

Buffalo Gal, Can you come out tonight?

"Texas bound"

"Out to lunch"

Squaw gal!

Monday marked the opening of "Crazy Days" at Madison High School. Hats, suckers, and T-shirts were in style. On Tuesday the rage was Cowboy and Indian. Wednesday, the students shucked the western wear and dressed up. One day of this was enough so on Thursday anything went. By the appearance of some of the costumes, the day was appropriately named.

I sometimes walk in my sleep.

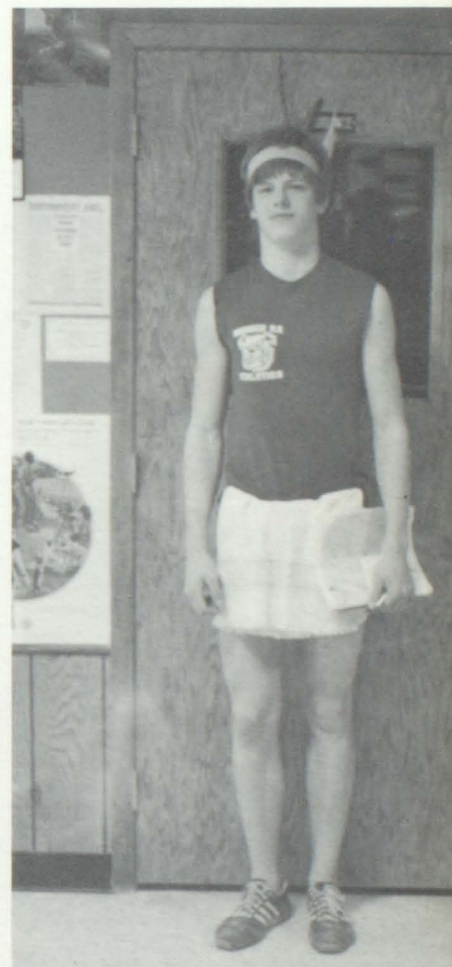

It's only a matter of time.

A joint effort between Dakota State College and Madison High School resulted in the production of "Ye Olde Madrigal Christmas Feast" at Dakota State College. 16th Century feasting and entertainment were the order of the evening. Madrigal singing, brought to England from Italy in the 16th Century was at first an informal type of entertainment at the castles and country homes of the landed gentry. Frequently the lords and ladies performed the music themselves as they sat at dinner in the Great Halls. The first Madrigals were quite spontaneous. It wasn't until the late 16th and early 17th century that they were published in written form.

The play centers around the year 1840. Thoreau was looked upon as a great thinker of his time but he was considered a radical and eccentric and he often lived the life of a recluse. The play begins and ends with Thoreau in jail, but it shifts by way of his mind and the use of various stage areas to represent each thought of his as a series of flashbacks. Thoreau's philosophies on life, freedom, and man versus his government were many and varied.

JR. SR. BANQUET

"Colour My World" was the theme for the 1981 Prom and Banquet. The theme was carried out by decorating the school lunch room to give a rainbow effect.
