JOE BRANDES

The 1988-89 Madison High School student body dedicates this annual to Joe Brandes, Joe was well known to the student body because of his many years as the community Santa Claus. Many of our students will remember him in his Santa costume handing out candy and gifts to the young and old. A jovial, "Ho-ho-ho," from Joe's ample frame could be heard throughout the largest room as he entered, ready to give a piece of candy and a personal greeting to everyone. He was also a great attraction driving his antique 1924 Dodge convertible in our annual homecoming pep parade. Prior to his death Joe owned and operated his own painting and contracting business in Madison. He will be sorely missed by the MHS student body and all of the Madison Community.

Homecoming "88"

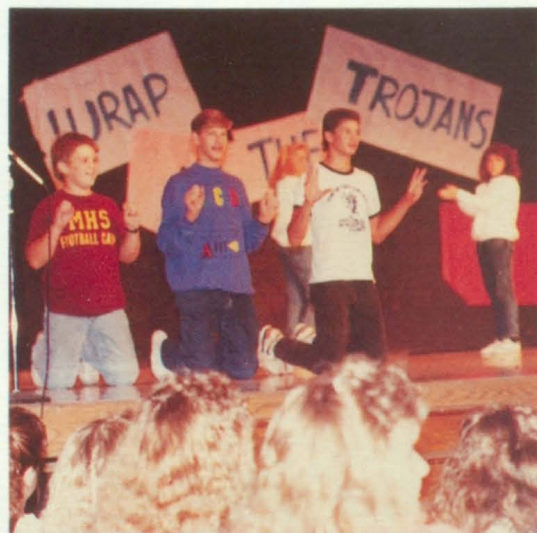

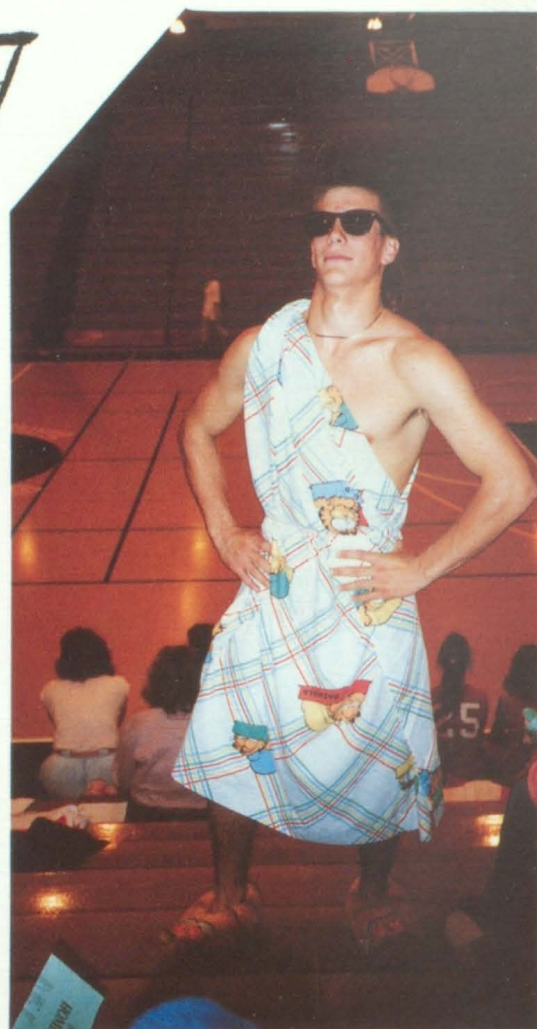

Kicking off the festivities of Homecoming Week was the coronation of Queen and King, Karrie Rowley and Danny Bamsey. Candidates were Heather Lammers, Tracy Gienapp, Abby Ericsson, Ann Keffler, Bryan Plack, James Hueners, Steve Avery and Danny Jones. Master of Ceremonies, Trevor Thielbar, introduced the candidates as they were escorted to the stage by John Simpson.

The theme of the evening was, "Don't You Know What The Night Can Do?" The stage was decorated with red, white, black and silver balloons. Meredith Schlisner sang "We've Only Just Begun." Cory Heidelberger and Meredith also sang "Friends". They were accompanied on the piano by Melissa Jerke.

Students participated in the week's activities of "Nerd Day", and "Beach Day", Thursday evening the girls basketball team defeated Howard. After the game there was a pep rally followed by the burning of the "M". There was then a parade of the Homecoming Royalty Candidates.

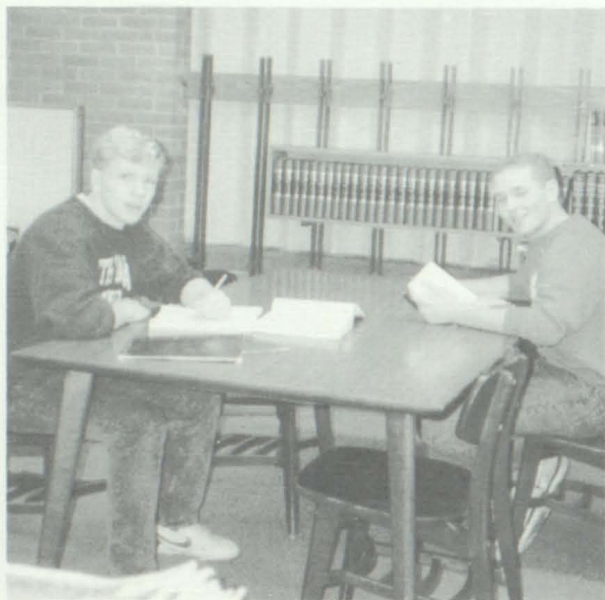

On Friday afternoon an ice cream feed was held followed by the annual tug of war. The evening activities included the Homecoming football game between the Bulldogs and West Central, and dancing at the high school to the music of the band, Mischief.

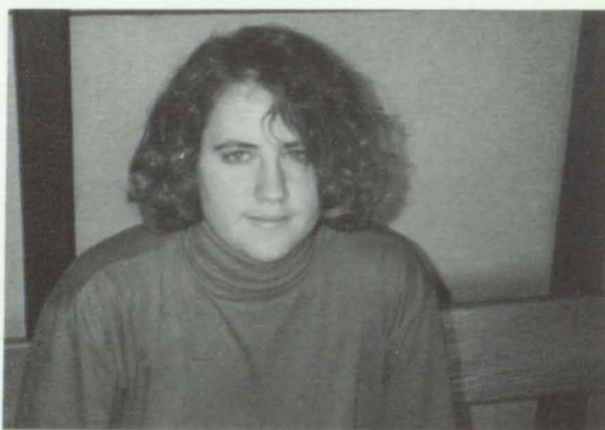

Top right: Chris Gustaf—God's gift to Garfield. Center left: Seniors win tug-of-war contest. Lower right: Freshmen display their undiscovered talents.

Oh, what a change—going from “big” eighth graders to “little” freshmen! Changes—that’s mostly what the freshmen year is all about. That first pep rally; Your first Elk’s Dance; Being called to the office; Being scared of upperclassmen; Homecoming week; Finding your locker and your classes on the first day of school; When you dropped your tray in the lunch line and everyone yelled FROSH! When you accidentally walked down the senior hall. Ah, the memories!

At least we aren't the "little freshmen" any more. Now we're struggling through geometry, biology, sociology and geography and don't let us forget speech. As sophomores we can finally yell our graduating year at pep rallies. And don't forget Drivers Education! Thanks to Mr. Koster, Mr. Dockendorf, and Mr. Miller, Sophomores just go with the flow of upperclassmen.

Well, we're almost upperclassmen. One more year then we'll be the seniors! It's both exciting and scary at the same time. Junior year! Oh, what a joy. Algebra II, Chemistry, History, and of course World Literature. This year has been a lot of fun, even if we had to study hard just to make it through. But we always found time to go out with friends and have a good time! We're bigger than the Sophomores, but not yet Seniors.

BOYS CROSS COUNTRY

Coach Bob Miller had only two returning letter winners on his 1988 Boys Cross Country Team. The bright spot of the season was the large number of young runners that were out for the first time. Two boys qualified for the State Meet. Coach Miller felt that the girls team completed a successful season by finishing second in the Regional and qualifying six girls for the State Meet. He is looking forward to next year because all of the girls will be returning except Kjersten Swanson.

L to R: Coach—Gordie Anderson, Gene Swanson, Terry Schultz, James Hueners, Jon Lauck, Ben Thielbar, Dana Larson, Marcus Gross, John Guenther, Trevor Thielbar

Coach Gordie Anderson feels that this years team was above average as he looks forward to a year of rebuilding. Placing 2nd in the Big Eight Conference and sending two golfers to the State climaxed a successful season. It was Trevor Thielbar and Gene Swanson who represented the Madison squad in State Tournament Competition.

Standing—L to R: Glory Watkins, Patty Schliesman, Meredith Schlisner, Michelle Chamber, Tracy Gienapp, Danyell Foutch, Coach—Orlyn Larson; Kneeling: Betsy Watkins, Shonda Reed, Stephanie McMurlyn, Angie Tunheim

The Madison Girls Tennis Team fielded their most competitive team of the past several years. With four returning senior letter-winners, the girls had a strong nucleus around which to build. Meredith Schlisner was this years outstanding performer. Coach Larson has a big rebuilding job on his hands with the loss of six seniors and three underclassmen who transferred to other schools. He believes that he will have to do some recruiting. This years awards go to Meredith Schlisner—most valuable and Shonda Reed—most improved.

The "88" Madison Bulldog Football team posted a 2-6 record, missing the playoffs for the first time in 3 years. The Dogs played "competitively", but fell short too often. This years seniors will be missed, especially for their work habits and attitudes. It is the hope of Coach Garry that the underclassmen have grown from their contact with the seniors. With good attitudes and hard work Coach Garry is looking forward to improving this year's win-loss record.

The Lady Bulldogs posted an 11 win 11 loss season. Many fans were pleasantly surprised by this strong showing. Last year's graduation took a large bite out of the Lady Bulldog squad. It was only the Tri Valley team in Region play that kept the girls from returning to State Tournament play. Tri Valley defeated Madison by a score of 38 to 34. This was the third defeat of the season at the hands of Tri Valley. Coach Kevin DeCurtins was well pleased with the performance of the team.

The Bulldogs provided the Madison fans with some exciting basketball. Hampered by injuries early in the season the Bulldogs still posed a threat to all opponents. Lack of any consistant scorers on the team left Coach Lorenz searching for a winning combination. It was the Bulldogs' "Never Say Die" attitude that carried them through the season. Outstanding play by Bryon Plack and teammates earned the Bulldogs wins in two games as the buzzer sounded. Coach Lorenz is looking to a rebuilding year as many of his starters were seniors.

Madison's Volleyball team completed the season with a 7 win and 13 loss record. With the loss of many of its players to graduation the team had an uphill battle. Jeri Howe and Michelle Koster were voted to the All-Conference Team, and Jenny Davidson and Janice Johnson were voted to the All-Conference Honorable Mention. Coach Joyce Farrell hopes to rebuild her returning players into strong contenders for the conference competition next year.

Coach John Collignon led the Madison Wrestling Team to their strongest showing since that sport was first established at MHS. After earning a second place finish in the region, the wrestling squad took nine members to the state tournament. Brian Appelwick won top honors in state competition by placing 1st in the 145 lb. division. Brian climaxed the year with a 34-0 record while earning 19 pins. In addition to Brian, Randy Burton placed 5th in State Competition and Chris Spielman was 6th in the respective weight class. Coach Collignon feels that this years team was very exceptional. The wrestlers scored the most points in state competition of any previous MHS squad.

Without the services of any seniors the Girls Gymnastics Team spent the year building and working toward individuals goals. With steady improvement most of the girls achieved their goals and Coach Carol Shaver considered the year successful. With the experience and confidence gained by this year's squad Carol is looking forward to a strong showing from her girls next year. Three girls qualified for the State Meet—Sara Collignon on the Floor Bars, Terri Morgan and Jodi Nighbert on the Uneven Bars. Voted most valuable was Sara Collignon, most improved—Heather Severson and Jody VanHeuveln, most energetic—Jodi Nighbert. Kirsten Cummins was voted most valuable and most improved on the Jr. Varsity Squad.

Madison's Track Team came through with a fine performance for the season with the girls winning the Region 2A and the Boys placing third. During the season the Girls placed 2nd in the Chamber of Commerce and Flandreau Invitational Meets. In the Flandreau Triangular Meet both the boys and girls teams came away with first places. Coach Jim Cordts will be taking 16 squad members to the State Meet. A new school record was established by Ellen Kussow in the 800 meter race.

This is the second year in a row that the girl golfers have won the region and entered State Tournament competition. Five girls participated in State Tournament play. In addition to placing second in the State, the team posted an undefeated season with only one tie. The girls also won the Big 8 Conference Championship for the fourth year in a row. Hats off to Joyce and her girls on their successful golf season.

Coach Doug Sims was encouraged by the number of underclassmen on his 1989 tennis team. He hopes to mold them into a winning combination in the future. Having to play schools much larger and those with year round facilities for practice, the Bulldogs are at a disadvantage when competing. Coach Sims has some strong competitors next season from some of the younger players.

Thirty five to fifty students participate in the Intramural Basketball program. This activity was established for athletes who are not on the varsity basketball teams but still enjoy the sport. Five teams participate on Monday nights under the supervision of Principal Dennis Germann. Competition becomes very keen at times as the championship team this year was defeated only once during the regular season of play.

The Madison High School Band has been invited to perform at the Cotton Bowl in Dallas Texas on January 1, 1990. Director Eric Haenfeler is excited about this trip as it will be a first for a Madison Band. Many long hours of practice will be required prior to next winter's trip. The band performs during the year at athletic events and school activities. Veterans and Memorial Day programs and numerous homecomings are on the list of performances. This year the Marching Band received a second overall rating at the Festival of Bands Competition in Sioux Falls. They also earned a first place in the Quad State and Optimist Field Contests. The band was Sweepstakes Winners in the USD Field Competition. The Jazz Band received a Superior rating at the Region 11 Music Contest and Coyote Jazz Festival. The Symphonic Band earned a superior rating at the Region 11 Large Group, Contest while the solos and ensembles also gained superior ratings.

Madison High Schools vocal music program has continued its growth in the 1988-89 school year. There are two choirs: the Concert Choir with participation by audition only, and the Mixed Chorus—a training choir made up primarily of underclassmen. The "Choir for Credit" option is a new program added this year. Students in their third and fourth year of choir can receive full academic credit for chorus by completing additional course work through independent study. The year was a busy one beginning in August with nine members participating in SD Honors Choir in Aberdeen. All State Chorus was held in Aberdeen in November. The annual winter concert was performed for a full house in December. Then came two months of contest preparation. MHS solos and ensembles received 27 first place ratings and 17 second ratings. In April the Concert Choir performed in Sioux Falls for the State Region 11 Large Group Contest. Not only did both boys and girls receive individual superior ratings, but the MHS Concert Choir was the only Mixed Chorus in the region to receive a Superior 1 rating. The year will conclude with a Spring Concert in May, and the annual trip to the Chanhassen Dinner Theatre and Valley Fair on June 1 and 2.

This year's play under the direction of Jim (Doc) Miller and student director Mary Jo Spethmann, is a comedy entitled "Wiley and the Hairy Man." The story is told in Unison by a chorus of students. Some dialogue between the main characters also takes place. The "Hairy Man" played by Cory Heidelberger is the character equivalent of our "boogey man." He is used by Cajun parents to encourage their children to be good. Meredith Schlisner as "Mammy" warns her son "Wiley," played by Christopher Benning, to not go certain places or do certain things; but Wiley being a typical boy thinks he knows better. The "Hairy Man" chases Wiley in the woods but Wiley manages to outsmart the "Hairy Man." When Wiley tells his mother, she explains that if Wiley can outsmart the "Hairy Man" three times, the "Hairy Man" will leave Wiley alone. The rest of the production portrays episodes of Wiley and his mother outsmarting the "Hairy Man" two more times to send him away permanently. Dr. Orval VanDeest assisted in the production of the one-act and Nancy Edwards designed the costumes. The technical crew consisted of Mary Jo Spethmann, Brian Tonsger, Scott Anderson, Heather Donohue, Susan Hassan and Michelle rolling. The cast and crew of the one-act-play performed "Wiley and Hairy Man" at the State Festival in Vermillion Thursday, Feb. 9. At the award ceremony the following Saturday, superiors were awarded to Meredith Schlisner for Lead Female Actress, Cory Allen Heidelberger for Lead Male Actor, Christopher Benning for Supporting Male Actor, and to the ensemble group consisting of Sonja Anderson, Darci Bowman, Michelle Glanzer, Becky Glynn, Ellen Kussow, Geraldine Meyer, Elizabeth Nussbaum, Nikke Petersen, Chris Reverts, Michele Sheaffer, and Becky Simpson. Director Mr. Jim (Doc) Miller and his cast and crew also received a superior over-all and ended up in the top four of fourteen schools.

Drama Coach Jim Miller and Vocal Music Director Nancy Edwards directed a delightful musical production. It was truly an evening of enjoyment. The characters were superbly cast and vocal selections often seemed on a professional level. The family musical Comedy "Snoopy" was based upon Charles Schultz's comic strip, "Peanuts". The play centered around a fantastic Snoopy played by Cory Heidelberger. Philip Germann and Christopher Benning, playing the characters of Charlie Brown and Woodstock, brought many laughs with their excellent interpretations of these roles. Musical selections ably sung by Danny Ziebarth, Anglea Plack, Meredith Schlisner and Michelle Glanzer completed a nearly perfect production.

Madison High School inducted 33 new members into the National Honor Society on Monday, March 20. In order to be considered for membership a student must have a 3.4 grade average for three semesters and receive the approval of a selection committee. Scholarship, leadership, service, and character are qualities considered in the selection of members. Mistress of ceremonies, Debbie Johnson, gave a brief synopsis of each candidates activities at Madison High School and their future plans. Entertainment was provided by Paula Klaveness and Aaron Williams who sang a duet entitled "I Will Lift Mine Eyes". They were accompanied by Susan Hassan. Nancy Moose an instructor at Dakota State, spoke on the qualities that each student must have to be a National Honor Society Member.

DECLAM

The Oral Interpretation (or "Declam") season begins the first week in October and finishes with the State Festival at the end of November. The six official categories of competition are humor, drama, serious prose, poetry, memorized oratory and duet acting. Students may compete in one or two events at every tournament.

The 1988-1989 Oral Interp squad included the following competitors: Poetry—Travis Hubbell and Cory Allen Heidelberg; Paul Zeller, and AnnMarie Paulukonis; Humor—Paul Zeller, Aaron McGowan, Brian Ewing, and Cory Heidelberg; and duet acting—Heidelberg and Meredith Schlisner. In November, the regional tournament was held in Watertown. Advancing from the region to the State Festival were Cory Heidelberg in humor, AnnMarie Paulukonis in oratory, and the duet team of Cory Heidelberg and Meredith Schlisner. All of these students won superiors at the State Festival, and Madison High School received a plaque for winning two or more superiors at State.

The MHS Debate season begins the first week-end in November, and culminates with the NFL Student Congress in April. During that season there are many types of events in which a student may compete.

The most familiar and popular is team debate, an event which pits a team of two affirmative debaters against two negative debaters in a structured format. All debaters in the United States argue the same resolution during the school year. The 1988-89 topic was "Resolved: that the federal government should implement a comprehensive program to guarantee Retirement Security for U. S. citizens over age 65."

Another event held during the debate season is Lincoln-Douglas Debate. In L.S. Debate, a single affirmative and negative speaker argue over a value-oriented question, such as "Resolved: That limitations upon the content of student publications by secondary school administrators are justified." There are three individual events in which a student may choose to compete at any debate tournament. The first of these is oral interp, which often appeals to students with a flair for the dramatic. Interpers read and interpret humorous or serious works of literature. Another individual event is original oratory. Orators, who often are the best writers and most persuasive speakers, write and memorize an 8-10 minute speech, usually on a current social problem. Extemporaneous speaking, the third individual event, features speakers who think quickly and analytically. Extempers draw three current event questions, select one, and prepare a 6-8 minute speech during a 30 minute preparation period. Each debate tournament holds competition in all the events, frequently sub-dividing each event into level of experience, from novice to varsity. Students usually compete in at least one individual event, as well as debate, at each tournament.

This year's squad had a very successful year, winning trophies and awards in all events during the season. The final and most exciting highlight of the year came at the NFL Tournament in Brookings in February. Competing at the tournament were Jon Lauck, Trevor Thielbar, Christopher Benning, Philip Germann, Janele Heyer, Gerri Meyer, Cory Heidelberg, Becky Glynn, and AnnMarie Paulukonis. All students did well in this highly competitive double-elimination tournament, with Lauck, Thielbar, and Benning advancing through semi-finals in extemp. In addition, Jon and Trevor were tied for 3rd place in team debate. Cory placed first in both humorous interp and Lincoln-Douglas debate, and will compete in both events at the National Tournament in Golden, Colorado in June.

NFL

The National Forensic League is a national organization, the official purpose of which is "to promote the interests of interscholastic debate, oratory, and public speaking by encouraging the spirit of fellowship and by conferring a worthy badge of distinction." Senator Karl E. Mundt of Madison was one of the founders of the NFL, and Madison High School is one of the first chartered chapters.

To gain membership in the NFL, students must earn points by competing in Oral Interp, Original Oratory, Extemp, Team Debate, Lincoln-Douglas Debate, or Student Congress. As the points—which are based on the member's ranking in each round of competition—accumulate, the NFL member earns a series of degrees. The first degree, the "Degree of Merit" requires 25 points. Until this year, the highest degree a student could earn was the Double Ruby, which requires 500 points. To earn the Double Ruby in the National Forensic League is an honor. Current Double Ruby members at MHS are Jon Lauck, Trevor Thielbar, Cory Heidelberger, and Ann Marie Paulukonis. In 1989, the NFL added two additional degrees—the Triple Ruby, which requires 750 points and the Quadruple Ruby, which is earned with 1000 NFL points.

Sixteen members of the Madison High School Future Business Leaders of America attended the State Leadership Conference in Rapid City on Sunday, April 16 through Tuesday, April 18. In addition to taking tests, the girls participated in general sessions, workshops, and team activities. Jocie Hulm's campaigned for the office of FBLA State President. Jocie ran against the incumbent State Vice-President; and after a vigorous campaign, Jocie was elected State President. Jocie will be the state representative at State President's meetings and Mountain Plains Regional meetings during the FBLA National Leadership Conference. Jocie will also be one of South Dakota's two state voting delegates. A total of \$107,000 in scholarships and awards were presented during the Awards of Excellence Banquet, Linette Hulm placed first in Keyboarding Applications and third in Business Math. Jocie Hulm placed first in Shorthand 1 and received a Steno machine from Stenotype Institute of South Dakota. Lisa will be representing South Dakota at the FBLA National Leadership Conference in Orlando, Florida, in July and will be competing in national competition. Jennifer Ersland will also be attending the National Conference, and she and Linette will be local voting delegates. There will be approximately 10,000 FBLA members in attendance at this conference.

Credit for the publication of this years annual rests on the shoulders of Penny Poppen and Linda Black. You can find these two young ladies during their sixth period either in the art room or in the annual room laying out the numerous pages. Various plans have been tried in order to get more students involved, but it seems that the days and evenings are full of conflicts for those desiring to work. It has been Penny and Linda, using their free periods, who have met the numerous deadlines.

Penny, Don't bother me. I'm hard at work. Linda, Come on in and help. It's not all hard work.

Under the direction of Advisor Char Haar, Co-editors Janice Johnson and Scott Anderson, the Maroon was redesigned to include more graphics and articles on news events, opinions, feature stories and sports. A "spot-light" section was added. Articles covering Dakota Proposition 11, and 1988 election, teen-age pregnancy, and high school drop-outs were highlighted, Scott Anderson was selected as an All-State Journalist, and he was also named the Journalism Education Association South Dakota High School Journalist of the year. In the South Dakota High School Press Association's Spring Writing Contest the Maroon staff won the Writing Sweepstakes as well as placing first in the Special Edition Category. Ann Marie Paulukonis was selected to attend Journalism City at Girls State.

Council members seem to be enjoying the meeting. Jon, are you bored with it all?

The purpose of the Student Council is to give the student body a voice in school activities. The process allows the students to exercise democratic self government under practical conditions. This creates an atmosphere of interest in the welfare of the school and a pride in the school's objectives and achievements. This year Mr. Ken Reitzel took over the duties of advisor to the student council. The council's big project has been the revision of the constitution. It has led to several heated arguments among council representatives.

F H A

This years FHA theme was Financial Fitness. FHA week was observed in February with the local organization providing favors for the hospital food trays. In Activity Events four members received superior ratings at the District and then advanced to State Competition. Patty Schliesman was elected District Three chairperson and now becomes a state officer representing this district on the State FHA Council.

The theme of FFA this year was "Building Our American Community". The FFA Boys became highly involved in community activities by constructing the baseball fence at Flynn Field. In addition to painting seventy advertisements for sponsors on fence panels, new supports were also added. Not happy to rest on their achievements, the FFA boys this year plan to weld eighty, six foot gates for cattle holding pens at the 4-H Grounds and construct playground equipment for Lincoln Elementary School.

The students at Madison High School are fortunate to have a strong faculty that is well trained in their respective fields. Many faculty members hold masters degrees and have many years of experience. They are continually returning to college and attending workshops and conferences in order to improve their subject field knowledge and remain current in their field of education. Their concern for the students is apparent by the many hours they devote to classroom work and after school activities. Our faculty takes great pride in former students. One may often hear faculty members mention how successful a former student has been. We, the students at Madison High School, salute the faculty for their time, devotion, and dedication.

POWER LIFTING

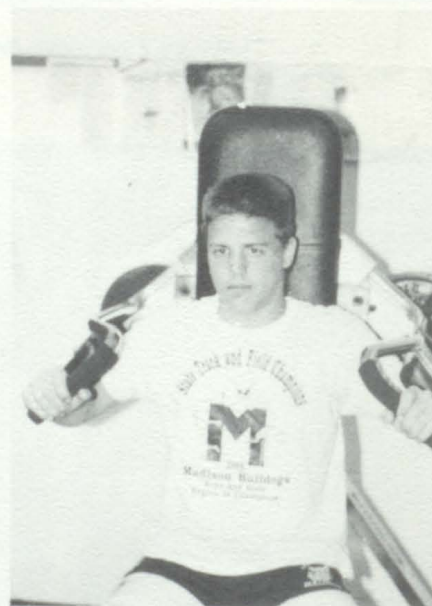

L to R: Tony Dumke, Chris Downs, Rob Sckerl, Shawn Leach, Brian Appelwick, John Morse, Scott Yunker. Not pictured: Randy Minnaert, Daron Uthe.

A new sport added to the offerings at Madison High School is Power Lifting. This is the second year for the sport. Coach Jerome Garry added the sport last year when he was hired as Bulldog Football Coach and Weight Lifting Trainer. The Bulldogs claimed third place in the 1989 State Power Lifting Meet which was held in Madison on April 1. The team won six individual places, including a first for Rob Sckerl at 132 lbs, second for Brian Appelwick at 148 lbs, third for Chris Downs at 123 lbs, fourth for Randy Minnaert, and fifth for Daron Uthe in the heavy-weight division. Presently Rob Sckerl holds the State record and four school records.

EVENTS

BOYS AND GIRLS STATE

Girls State is held on the campus of South Dakota State University the week of May 29 to June 3. Junior girls are selected by a committee of women from the local American Legion Auxiliary. Each girl is asked to submit a short letter indicating why she desires to attend Girls State. Selection is based upon the contents of the letters submitted. The week at Girls State will be spent in establishing mythical city, county, and state governments and in campaigning and the election of officers to various positions.

Six Junior Boys were selected to attend Boys State on the campus of northern State College May 29 thru June 3rd. The boys ranking in the top third of their class, were chosen by the faculty on the basis of scholarship, character, and leadership. A mythical city, county and state government will be established and they will learn about the fundamental principles of government. They will also come to a better understanding and appreciation of the rights and responsibilities that they have as citizens.

SWEETHEART DANCE

This year the FBLA sponsored the Sweetheart Dance as a fund raising project. Music was provided by a KELO Disc Jockey Group. The theme "Heaven on Earth" was carried out in colors pink, silver, and white.

SENIOR BANQUET

The senior banquet was held at Nicky's on the evening of Saturday, May 20th. Following the dinner AnnMarie Paulukonis welcomed the Senior Class members on behalf of the Juniors, Marcus Gross, Senior class representative, responded and thanked the Juniors for the work that they put forth toward the banquet and prom. Ann and Marcus related numerous highlights of the 1988-89 school year. Their jokes and comic incidents recalled happy memories for the seniors and sent them to their prom in a joyful mood. The school lunchroom decorated with red, silver, and clear streamers and balloons became a beautiful ballroom. The theme for the evening was "One Moment In Time". The students spent the evening dancing to the music of the band, Rumors Has It. After the prom, many of the dancers proceeded to the Elks Club where the party continued and an early breakfast was served.

We hope that we have produced an annual that will give you many moments of enjoyment as you browse through these pages. Many of the candid snaps will remind you of some happy incidents during your high school years. We hope to bring back many pleasant memories with our pictures and stories of events during the 1988-89 school year. We thank Mr. Lang for his help and also for allowing us to incorporate some of our ideas into this year's annual.
